

## Student Activities

HS football is 2-1 and will travel to Paris this Friday for a conference game. Football Senior Night will be October 19th, which will be a Saturday game against Highland. This is another re-schedule due to a shortage of officials.

HS softball is 6-4 after taking 3rd in our home tournament this past weekend. I plan to change the format for next year's tournament to get the entire schedule on the HS field due to logistical considerations. HS softball Senior Night will be October 1st against South Shelby.

The MS softball season opens this week with an away game at Scotland County. MS football is 0-1 and continues to play with only 12-13 kids, subject to availability. Both of these teams will wrap up their seasons before mid-October.

Homecoming is next week (September 27th).

The Northeast District Trap Shoot is October 5th. Knox County is responsible for hosting the Lewis and Clark JH softball tournament at Moberly on that same day.

JH basketball can open practice as early as October 7th, with the first games on October 29th.
