

Student Activities

Current Seasons

- **Varsity track and baseball and MS track seasons have begun. Varsity baseball is 4-3 and JV baseball is 5-1. Jen Hinkle has broken the Javelin record in track, and our boys 4x400 team is undefeated in track. Donovan Dooley broke the MS long jump record on Wednesday at Clark County.**
- **The Knox County Athletic Boosters are having a meeting on May 16th at 7:00 pm in the HS cafeteria.**

COVID - No significant updates to our situation. We expect to have spring sports and are hoping to have concessions under our new Board policy requirements.

Equipment or Facilities

- The backstop to our softball field was damaged in one of our earlier ice storms. We should be able to fix it with the proper equipment when better weather arrives.
- Contracts have been awarded for football and elementary gym bleachers with the majority of work projected to happen in July.
- **Oak View Mennonite Church has requested to reserve the school from June 11-13 for a regional meeting. This is a weekend and should not affect summer school activities. They had to cancel last year.**
