The first half of the school year has flown by. Everything has been good in the kitchen. Ms. Karen Hall has stopped by a few times to pay us a visit and to order lunch to go. We are always happy to hear from her and would love to see and hear from our other board members also. Stop by any time and have some lunch or we can send it with you for the road.

As you can see from these numbers our participation has been down. I have been looking for ways to improve this. We have started new programs this year, but I am open to suggestions to improve these numbers. Some of this has to do with the fact that enrollment is down a little this year.

Hope everyone has a Merry Christmas and we will see you next year.
