RE: Administrator's Report

### **Federal Programs**

Preschool/Kindergarten Screening will be March 6, 2020.

February Title I monitoring has been completed. Final monitoring is due in April.

MAP-A testing will begin again next week.

We have had 16 referrals for special education services. 5 student have qualified for services, nine have not qualified and two are the in testing process.

We currently have 76 students with IEP's enrolled in the district in grades preschool through 12th grade. We are serving 9 students through Speech Intervening Services.

### **Curriculum and Grant Writing**

The district has received a grant to pay for two teachers to be certified in Computer Science. This pays for their course work and certification assessment.

A Wal-Mart grant has been submitted for the business class.

We have started working on the School Violence Prevention grant. It is due the first part of April.

Curriculum writing is going well. I will be attending a curriculum symposium next week.
