 Monthly Food Service Report
 Knox County R1

We have had great start to the new year. Things continue to be busy which is great. I want to take the time to brag on my staff just a little . These ladies come in every morning with a can do will do attitude and do whatever it takes to make someone's day. Some days are harder than others, but they always manage to get the job done. We are so blessed to have such an awesome team in your Knox County Kitchen

Our mission:

OPAA! to Go and Grab N GO continue to be a big hit with the elementary kids. I am looking at starting a couple new programs in the high school to try and increase our participation. I would like to try a waffle bar and Grab N Go at the high school level. I am going to have a meeting with some of the high school kids and see which one they think we should try first.
