

# Student Activities

## Current Seasons

- Varsity track and baseball and MS track have begun practices. We will host approximately 11 baseball games and 5 track meets (weather dependent). **I am actively seeking volunteers to work as timers for both JH and varsity meets.**
- Boys basketball ended its season 15-6, junior varsity was 6-0, and girls basketball was 11-11. Riley Strange and Conner Hayes were 1st team all conference and all district. Jacob Becker was 3rd team all conference and all district, and Kylee Woods was 3rd team all conference. Conner re-established his career 3-point record total at 230, and Riley became the school's all-time leading rebounder with 772.

COVID - No significant updates to our situation. We expect to have spring sports and are hoping to have concessions under our new Board policy requirements.

## Equipment or Facilities

- The backstop to our softball field was damaged in one of our earlier ice storms. We should be able to fix it with the proper equipment when better weather arrives.
- Contracts have been awarded for football and elementary gym bleachers with the majority of work projected to happen in July.
- Researching an estimate for the cost of concrete, improved backstop, and fence repairs for the baseball field.
