Student Discipline Hearings

Parents/guardians of students suspended for more than ten (10) school days may make a written request for a hearing before the Board of Education. This request will be addressed to the Superintendent who will review all matters concerning the suspension and refer the request for a Board hearing.

In conducting a discipline hearing the Board will carefully consider the information presented by the administration and by the parent/guardian. In making its decision concerning guilt and innocence as well as punishment, the Board will be mindful of Board discipline policies in place, the effect of its decision upon the individual student, and the safety and welfare of District students and staff.
