

## **FINANCIAL OPERATION**

**Policy 3370**

### **Revenue**

### **Fund-Raising**

All fund-raising activities and planning for fund-raising shall be done after school hours unless prior permission is received from the building principal.

Any fund-raising activity which involves students or employees shall require submission of a request and the approval of the building principal and Superintendent. Involvement is defined as: any activity which mentions any student or students as being students of the school in advertisements or any activity which mentions any school organization or any oral mention of students or organizations.
