School Activities Funds

Management

School activity funds are used to finance a program of student activities which supplement but do not take the place of the instructional programs provided by the Board of Education. Whether funds are collected from student contributions, club dues, special activities, or result from admissions to events or from other fund-raising activities, all funds will be under the jurisdiction of the Superintendent and building principals. The funds will be expended to benefit students currently enrolled in school. The management of the funds will be in accordance with good business practices, including sound budgetary and accounting procedures, and will be audited in the same manner as District funds. There shall be full disclosure of the sources and expenditures of all funds.
