Curriculum Services

Curriculum Design

The design of District curriculum shall follow curriculum frameworks offered by the State Department of Elementary and Secondary Education which are intended to provide assistance in aligning local curriculum with the Missouri Learning Standards which define the knowledge and skills students need in each grade level and course for success in college, other post secondary training and careers. These expectations are aligned to the Show-Me-Standards, which define what all Missouri high school graduates should know and be able to do.

Adopted: September 19, 2000

Revised:

Knox County R-I School District, Edina, Missouri
