

Student Activities

Current Seasons

- Varsity and JV basketball seasons are coming to a close with this being the final week of the regular season. The district tournament is the week of Feb 22nd. Varsity girls are the 5 seed and the boys are the 2 seed.
- Knox County is designated as the district manager for the CI 2, District 6 basketball tournament. Games will be played at multiple locations, with the exception of championship day, which will be at Schuyler County. Knox County will host a boys semi-final on Feb 24th against the Scotland/Schuyler winner. We are planning to distribute 65 tickets to each team. We are prohibited from live streaming unless we use [MSHSAA.tv](https://www.mshsaa.tv), which charges per view.

COVID - No significant updates to our situation. We expect to have spring sports and are hoping to have concessions under our new Board policy requirements.

Equipment or Facilities

- The backstop to our softball field was damaged in one of our earlier ice storms. We should be able to fix it with the proper equipment when better weather arrives.
