RE: Administrator's Report

Federal Programs

- Preschool/Kindergarten Screenings will begin the first of March. Information will be in the paper and on our district social media as well.
- MAP-A testing is continuing and will be completed in the next few weeks
- We have had 6 referrals for special education services. 2 students have qualified for services, 1 did not qualified and three are the in the referral/testing process.
- We currently have 70 students with IEP's enrolled in the district in grades preschool through 12th grade. We are serving 7 students through Speech Intervening Services.

Curriculum and Grant Writing

- A Wal-Mart grant will be submitted soon for the elementary kitchen.
- The district is monitoring the ESSER Funds to be distributed to school districts and how that money can be used.
- I am currently researching the SRSA Grant and RLIS grant to determine which one would better serve the needs of the district. We qualify for both but must choose only one to apply for.
- Curriculum writing and review is going well. I will be attending a curriculum symposium next week.
