

Student Activities

Current Seasons

- Varsity softball (2-5) has 11 girls. JH softball (1-0) has 13 girls (10 from Knox County). Football (3-0) has 24 players (22 healthy). JH football (1-0) has 16 players.
- Homecoming is October 1st.
- District softball tournament will be at Canton October 13-16.

Equipment or Facilities

- Football bleachers are virtually complete. We plan to remodel the press box over the winter months, if possible.
- Tony Snelling is estimating a start date of September 20th on the baseball handicap access project.

COVID-19 Guidance

- Current CDC guidance for schools is the same as last fall: Masking, Distancing, Hand washing, Cleaning, Contact Tracing
- We will continue with hand washing and cleaning. We recommend masking and distancing for unvaccinated children and adults.
- **We are contact tracing for all close contacts in the classroom environment, using seating records and teacher interviews. We are not contact tracing on PE, recess, or sports-only environments. We provide names to the KCHD and they determine quarantine requirements based on vaccination status.**
- We are not facing the same COVID as last year (in some ways). New variants/strains have emerged. These are more contagious and more transmissible in children.
