RE: Administrator's Report

Federal Programs

- Preschool/Kindergarten Screenings will begin later this month. We will be doing individual appointments rather than a mass screening. Information will be in the paper and on our district social media as well.
- MAP-A testing is continuing for the spring testing window.
- We have had 10 referrals for special education services. Four students have qualified for services and five have not qualified and one is in the testing process.
- We currently have 77 students with IEP's enrolled in the districts in grades preschool through 12th grade. We are serving 11 students through Speech Intervening Services.

Curriculum and Grant Writing

- I am currently researching the SRSA Grant and RLIS grants. Normally you can apply for one or the other but this year it is apparent we are able to apply for both.
- Exploring playground grant opportunities to help with improvements to the elementary playground.
- Curriculum writing and review is going well.
