

Student Activities

Current Seasons

- HS and MS Scholar Bowl teams are approaching the ends of their seasons. MS Scholar Bowl wraps up at the end of March, and HS Scholar Bowl will enter district play on April 9th.
- Music Activities are entering competitive stages of their academic years.
- Baseball, HS track, and MS track all have begun spring practices. Our first home baseball game is scheduled for March 22d. Our first home track meet is scheduled for March 29th.
- Approximately 25 girls have signed up for cheerleading tryouts. These will be held at the end of March.

Equipment or Facilities

- We have hired a contractor to improve the electrical support to the football press box as part of a remodeling effort.
- Facilities improvements on the short-term plan:
 1. Advertisements have been posted for the quote/bid for the weight room renovation project.
 2. Football press box improvements - Would like to pursue a quote for renovation of the football press box, to include new flooring, counters, drywall, heating/AC, separation walls (noise control), and a new window on the front that improves lines of sight.
 3. Renovation to batting cages - The netting at the current facility has reached the end of its useful life, and the existing poles are not heavy enough to support the existing structure. Turf was an “after-market” addition. Total renovation costs are approximately \$30,000.
- I’ve enlisted H2Grafx to add new sponsor logos to the baseball scoreboard and to replace the existing sign on the baseball concession stand.
- We will be using a new automated timing system for track this year and using our own coaches/staff to officiate field events. Volunteers are welcome.
- Equipment purchases for baseball include new catcher gear with a bag, hats, uniforms, a new bat, a radar gun.
- Equipment purchases for track include new uniforms, an automated timing system, and a laser measuring system for javelin and discus.

Boosters

- Current balance is approximately \$19,000. Booster have purchased our new baseball scoreboard, football uniforms and baseball uniforms, with commitments to purchase new HS cheer uniforms and track uniforms.

Student Activities

- Please continue to encourage new membership and active participation within the existing organizations. Usually meet the first Wednesday of the month in the HS cafeteria at 6:00 pm.
