Budget Message
Fiscal Year 2022-2023
Knox County R-I School District

Introduction

The 2022-2023 budget includes an outline of both projected revenues and projected expenditures for the upcoming school year, as well as a comparison to the current and previous year. Every effort was made by administration and staff to be as precise as possible. There are no guarantees from any revenue source, or that expenditures won't increase at a higher rate than expected. All projections are based on the information present at the time of planning.

2021-2022 Budget Review

The 2021-2022 budget received \$8,248,827.72 so far in total revenues. Our expenditures to date are at \$8,124,290.87. The difference between the revenues and expenditures so far is a balance of \$124,536.85. This includes the purchase of 2 Electric buses but not receiving all the grant money in during the same fiscal year. The USDA portion of the grant money will come in during the 2022-2023 school year. This review also includes the added expense of adding a school nurse, a cook, and a paraprofessional after the school year started. It also includes a some facilities improvements.

2022-2023 Budget Highlights

The 2022-2023 budget has a projected balance of \$722,824.75. This includes adding \$3,000 to the base for teachers, and an average 12% raise for all other employees not on the teacher salary schedule. As far as revenues, I am being conservative and feel that they will come in better than budgeted. The revenues do include part of our ESSER III funding as well as the USDA grant money from the electric buses we bought last year. As far as the expenditures, I have used the best figures and tried to remain as conservative as possible. This also includes the a new door system, the purchase of a diesel bus, and \$150,000 for building projects. This budget also includes adding an elementary Assistant Principal, a preschool teacher, and a career advisor at the high school.
