Thank you for continuing to partner with Opaal Food Management!

Everything in the kitchen is going great. It was like Christmas in April, as our new oven arrived and was installed. Man she sure is pretty and works great! Thank YOU for always making sure that we have the equipment we need to feed the kids! As school is winding down it becomes a very busy/hectic time in the kitchen with field trips, field day, BBQ time, and just end of the year stuff. We are sad the year is ending, yet we are looking forward to summer school and summer break.
