

**Knox County R-I School District**  
**Programs and Services Evaluation Form**

Program: Library Media Services

Person(s) responsible: Library media specialist

Number of Employees: Certified 57 Non-Certified 19 Full- and Part-Time       

Number of students enrolled/participating in the program: 493

Program: Local   x   State   x   Federal   x  

Goals and Objectives (Can it be measured with data?):

**Goal 4:** Provide and maintain appropriate instructional resources, and support services.

**Objective 1:** The district will maintain and/or increase library and updated technology to support, enhance, and enrich curriculum to increase student achievement, problem solving skills, creativity, and communication skills.

Evaluation Criteria (What gauges success?):

Success can be evaluated by how well we are maintaining and updating the iPad. We are continuously keeping up with all Apple iPad updates. We regularly switch iPads out to make sure we have the top of the line devices for our students and staff. We purchase apps or use free apps to help students create and explore.

Success is also gauged by how well I, the Library Media Specialist, is meeting the standards in the District Library Curriculum. That is done by keeping anecdotal records, worksheets, Kahoot assessments, and performance assessments depending on the grade level.

Types of data collected: (Check all areas that apply)

- Surveys of staff, community, students, business
- Standardized assessments, assessment statistics
- Longitudinal performance data
- Participation or placement rates
- Financial revenues/expenditures
- Internal evaluations by staff

Procedures used to evaluate the collected data:

Who collects the data? Library media specialist

Who reports the data? Library media specialist

Who analyzes the data? Library media specialist

Success of program based on the data (benefits):

The program has been and continues to be successful by introducing and producing products that show student growth and success in their love of reading and skills on the iPad. They are producing presentations they are proud of and love to create.

Recommended changes needed to achieve the goals and objectives of the program:

There are no changes that currently need to be made. The program is ongoing and always changing to meet the needs of it's learners.

Action to be taken:

None.

Changes made in the last two years:

Additional Sphero Bolts and Sphero Minis added to the program to do more coding projects, updated iPad, apps added to continue growth in creativity and production of projects on the iPad.

Date presented to the Board of Education: June 20, 2023
