Federal Programs

- We have had 27 referrals for special education services. 12 students have qualified for services, 11 were not eligible and 4 are in the testing process.
- We currently have 79 students with IEP's enrolled in the district preschool through 12th grade. We are serving 15 students through Speech Intervening Services.
- Title I program surveys will be going out soon. The annual Title I meeting will take place before school is over in May.

Grants

- We did not receive the DESE Stronger Connections Grant
- Many of the Grant Programs related to Covid are coming to an end so final reports and data collection are ongoing for these programs.
- Continuing to look for grant opportunities that would benefit our teachers and current programs.

Curriculum

- Teachers are continuing to work on their curriculum to be approved in May.
