RE: Administrator's Report

### Federal Programs

- We have had 23 referrals for special education services. 11 students have qualified for services, 11 were not eligible and 2 are in the referral/testing process.
- We currently have 77 students with IEP's enrolled in the district preschool through 12<sup>th</sup> grade. We are serving 13 students through Speech Intervening Services.
- The district has submitted all files for our correction action for special education and all were in compliance. That completes the corrective action process.

### Grants

- The district is waiting to hear if the Stronger Connections grant has been accepted or declined. Official notice is tentatively scheduled to be released in April.

### Curriculum

- Curriculum writing is ongoing. Monthly work sessions will continue through May.
