**Alternative Methods of Instruction**

Beginning in school year 2020-21, the District may use a DESE approved alternative method of instruction to compensate for certain hours lost due to exceptional and/or emergency circumstances. “Exceptional or emergency circumstances” include, inclement weather, a utility outage or an outbreak of a contagious disease.

**Notification of Parents and Students**

If the District utilizes such DESE approved alternative method of instruction plan, the District will notify students and parents on each day of the closure. In these circumstances, the District will ensure that each student receives assignments for that day in hard copy or receives instruction through virtual learning or another form of instruction.
