Student Services

Student Accident Insurance

The Board of Education will provide the opportunity for parents/guardians, students and others to purchase student accident insurance on an annual basis. Each year the Administration will choose a provider offering group rates and will make the information available to District families.

Participation in any group plan is optional and arrangements for participation are the responsibility of the parents/guardians or students. However, all students are required to have insurance coverage before they are allowed to practice or compete in interscholastic athletics, cheerleading, pompon squads and similar groups.
