Students Who Bring Firearms or Weapons to School

The District will take the following action upon determining that a student has brought a firearm or weapon to school:

1. The District will refer the student to the appropriate criminal justice or juvenile delinquency system, and
2. The District will suspend the student from school for a period of not less than one year (365 days) from the date of the infraction, and may, at its discretion, expel the student from school permanently. This suspension provision may be modified on a case-by-case basis upon recommendation of the District Superintendent if the Superintendent determines that circumstances justify such a modification.
3. The District may, at its discretion, provide a student suspended under this Regulation with educational services in an alternative setting.

Applicability of Regulation to Students with Disabilities

If the student with a disability under the Individuals with Disabilities Education Act carries or possesses a weapon, as defined by 18 U.S.C. § 930(g)(2), to or at school, on school premises, or to or at a school function under the District's authority, school administrators may remove that student to an interim alternative educational setting for not more than 45 school days without regard to whether the behavior is determined to be a manifestation of the student's disability. If a school administrator removes a student with an IDEA disability to an interim alternative educational placement, the District must convene the student's multidisciplinary and/or IEP team

to conduct a manifestation determination within the statutory time frame and the student's IEP team must determine the interim alternative educational placement and the services that the student will be provided in order to receive a free appropriate public education and access to the general curriculum.
