### **Suspension**

**Policy 2662**  
**(Regulation 2662)**  
**(Form 2662)**

*Suspension* refers to an exclusion from school for a specific period of time short of permanent exclusion. Building principals are authorized to suspend students for periods of time not to exceed ten (10) consecutive school days for violation of District regulations and are authorized to impose additional suspensions of not more than 10 consecutive school days in the same school year for separate acts of misconduct. Building principals may also recommend extensions of suspension for periods of time up to 180 consecutive school days by the Superintendent. The Superintendent of schools may suspend students for periods up to 180 consecutive school days and recommend longer suspensions and expulsions to the Board of Education. Only the Board may impose suspensions in excess of 180 consecutive school days.

Students who are suspended or expelled will be counted as being in attendance for the following purposes:

1. Calculating the attendance rate under the Missouri School Improvement Plan or other similar school accountability system used by DESE; and
2. Calculating the District's weighted average daily attendance for purposes of state aid.
