This Year / Last Year

June & July Meals
2,844 / 2,458
This Year / Last Year

**Thank you for continuing
to partner with Opaa!
Food Management!**

Highlights from July & August

We had a successful turnout for our summer meals, ensuring students stayed nourished. We attended Open House to connect with families and showcase our food. To welcome staff back, we provided catering to kick off the new year. As students returned, we celebrated their first days with warm smiles and great food. During the third week of August, we introduced the new Rattlesnake Bowl—a flavorful menu item that was met with great enthusiasm.

Looking Ahead to September

We're planning special Grandparents Day celebrations to honor meaningful multigenerational bonds. The last week, we'll promote the importance of morning nutrition with our first annual Opaa! Breakfast Week!
