Highlights from September

We held the Opaa! Grandparents Event and it was a smashing success! The delicious food encouraged warm conversations among family and friends. On the third week of the month, we celebrated Opaa! Breakfast Week, featuring creative menu items while highlighting the importance of starting each day with a healthy breakfast.

Looking Ahead to October

The 2025 Opaa! Student Survey will be distributed in October. This survey will cover all our popular menu items as well as a space to review our service. We encourage everyone to participate, as their feedback is essential in helping us improve. We are excited to host another Opaa! Tasting Event. National School Lunch Week is just around the corner! This year's theme, 'Around the World: Find Your Passport!', will showcase a variety of tasty, well-balanced meals.
