### Highlights from January

The Opaa! Recipe Contest returned this January and is a fantastic way for students and employees to showcase their culinary creativity! We are looking forward to seeing what imaginative recipes they make. We're also grateful to have received valuable feedback from you all during the January board meeting.

### Looking Ahead to February

We're looking forward to our Opaa! all-grade NAC meetings—an excellent opportunity to engage students and teach them about healthy eating. We are also launching our annual Opaa! T-Shirt Contest on February 11th and can't wait to see the creative designs the students submit. To wrap up, we'll celebrate with our festive Opaa! Mardi Gras meals, which is always a colorful and flavorful favorite!
