

KNOX COUNTY HIGH & MIDDLE SCHOOL STUDENT HANDBOOK

2026 - 2027

Changes

Semester grades

REPORTS TO PARENTS

Progress reports will be issued at Parent Teacher Conferences, and final semester grades will be mailed to the student's home address after each semester. The marking scale will be A, Excellent; B, Superior, C, Medium or Average; D, Inferior; and F, Failure. A - or + may be used to denote work below or above the letter grade. Each teacher will inform students of his/her grading system early in the semester's work. Work that is not completed will result in a grade of Incomplete. Students will be given a deadline for work to be completed.

If the work is not completed during this time it will be counted as zeros.

TARDIES

We must insist that students be on time for school and class. If you are late to class, you are tardy. Tardies are recorded on a daily basis, and start over each semester. Following the eighth tardy the student may be assigned to a detention for each additional tardy during the current semester. A student who is late to school must first sign in at the office to assure their attendance is recorded accurately.

ABSENCES - THERE IS NOT EXCUSED VS UNEXCUSED - MADE THE CHANGE FROM EXCUSED TO "PARENT VERIFIED" PARENT VERIFIED ABSENCES

1. Illness **reported the day of the absence** by 10:00 AM.
2. Doctor's certified excuse (any illness for which student misses more than five consecutive days or an appointment during the school day).
3. Military duty.
4. Funerals.
5. Religious observances requested by parents in advance.
6. Travel, which has been approved by the principal prior to departure.

Parents or legal guardians are asked to **call the school the day of the student's absence** to report the nature of the absence. Following an absence, the student is to report to the principal's office for an excuse/unexcused slip. This is the responsibility of the student. If the student does not provide an excuse, the teacher(s) will record the absence as "unexcused-absence unknown."

KNOX COUNTY MIDDLE & HIGH SCHOOL

I have read and understand the Knox County Middle & High School parent-student handbook.

I understand that during the course of the year, my child may take part in educational surveys, including the Safe and Drug Free Schools and Communities Survey. No personally identifiable information will be collected or shared, as part of this process. My child may also be using the internet for career education. I also understand that the school routinely discloses names, addresses and telephone numbers to military recruiters upon request, unless a parent requests not to disclose such information.

Dear Students, Parents, and Guardians,

On behalf of our faculty and staff, I would like to welcome you to the 2025-2026 school year at Knox County Middle/High School.

Knox County School has a long-standing tradition of excellence in the classroom in addition to its proud reputation in extra-curricular activities. I expect each of you to meet the standards this school has set, and to carry forward the proud tradition of this school along with the county and communities it represents. Our goal is to make your middle and high school years a positive experience, but as educationally challenging as possible. If you encounter difficulties throughout the year, I encourage you to seek out a member of our professionally trained staff so that we may do our best to assist you.

Knox County School has a wide variety of programs available to you. You can take advantage of these numerous opportunities by being an active learner in the classroom as well as a positive participant in our extra-curricular activities.

I look forward to working with you in order to accomplish your educational goals.

Go Eagles!

Sincerely,

Becky Barnhill
Secondary Principal

Nathan Miller
Assistant Principal/Activities Director

SCHOOL EMBLEM AND COLORS

Official School Colors: Red, White & Black

Mascot: Eagle

Conference: Lewis & Clark

The school seal displays an interlocked "KC" for Knox County on a crescent-shaped base, the numeral "1" symbolic of the first county in the state of Missouri to be recognized as an entire county school unit, the four emblems which represent the fields of music, art, victory, and knowledge--above which shines the torch of truth and achievement.

A standard design has been adopted for the class ring of Knox County High School. The ring embodies the use of our seal on one shank and the emblem of the Eagle on the other, together with the words "Knox County High School" encircling a stone crest

SCHOOL SONG

"Knox County High School let victory be your every aim
Three cheers for our school
We choose to play a winning game
Stand tall Knox County
Your leadership has brought you fame
So go on striving, driving and be a leader
And we will win this game!"

MISSION STATEMENT

Building foundations for life-long learning.

"We the Knox County R-I Board of Education, administration, and staff believe that all students can learn and can achieve mastery of basic skills. We believe that our purpose is to educate all students to high levels of academic performance while fostering positive growth in social/emotional behaviors and attitudes. We believe that all other aspects of the school program are secondary to this purpose. Equipped with this focus we are committed to developing the characteristics of an effective school, which is a clear school mission, strong instructional leadership, safe and orderly environment, high expectations and a system to measure achievement impact. We are life-long learners."

VISION STATEMENT

The Knox County R-I School District reflects an alliance among the students, parents, staff, administration, and community with a vision of a school where:

- Students enjoy learning as they are prepared for post-secondary goals and opportunities to become productive citizens.

- Students are empowered to become life-long learners and critical thinkers and to work to their highest potential.
- Open communication between all stakeholders fosters a safe, caring, respectful learning environment.
- High quality curriculum, instruction, and assessment ensure that all students achieve a firm foundation in basic academic skills.
- Students demonstrate physical, social, and emotional well-being.
- Students learn and practice responsible behavior, integrity and respect for others.

GENERAL INFORMATION

Knox County R-1 School District is classified as accredited by the Department of Elementary and Secondary Education of Missouri. It offers a four-year program for Missouri residents. Non residents may apply for admission by contacting the school administration; tuition payments are required for non-resident students. The local Board of Education has set a graduation requirement of twenty eight (28) units of credit.

VISITORS

The only visitors welcome during the school day are parents and other Knox County residents. A student not in school here is not welcome during the day. Visitors should check in at the principal's office. They will be required to sign in and provide positive identification and wear a visitor's pass while in the building. Anyone not checking in will be asked to leave and may have trespass charges filed against them. If dropping off an item for a student, visitors are asked to leave the item in the front entrance to be picked up by the student at a later time.

WEATHER OR EMERGENCY DISMISSAL

In the event that school might need to be called off because of bad weather, listen to KIRX (Kirksville), KRES (Moberly), or KMEM (Memphis). Also, parents/guardians will be contacted in the event of school cancellation through our School Messenger system. Information about school cancellations will be sent to parents/guardians via phone, through the Knox Co. R-1 School District mobile app, and email.

REPORTS TO PARENTS

Progress reports will be issued at Parent Teacher Conferences, and final semester grades will be mailed to the student's home address after each semester. The marking scale will be A, Excellent; B, Superior, C, Medium or Average; D, Inferior; and F, Failure. A - or + may be used to denote work below or above the letter grade. Each teacher will inform students of his/her grading system early in the semester's work. Work that is not completed will result in a grade of Incomplete. Students will be given a deadline for work to be completed. If the work is not completed during this time it will be counted as zeros.

PROGRESS REPORTS

Progress reports will be available at any time during the grading period by using our school's information system, Infinite Campus: Infinite Campus Parent Portal

To begin using the Parent Portal, follow these steps:

1. Fill out the Parent Portal registration form and return it to the school.
2. Your password will be emailed to the address you provided on the registration form.
3. Download the app or use the web based version to access your student information.
4. Click on the Parents tab and log in. You must be on the **Parents** tab in order for your login to work.

DIRECTORY INFORMATION

Directory information will be released for purposes of student mailings (Photographers, newspapers, scholarships, etc.), newspaper stories, athletic rosters, student honors, etc. Directory information includes, but is not limited to: name, address, school activities, school honors, photographs, future plans as submitted by seniors. If you do not wish for this information to be released, the school needs to be contacted in writing by parents

WHEN TO KEEP YOUR SICK CHILD OUT OF SCHOOL

If your child has a moderate fever, greater than 100.0 degrees, keep the child out of school. He/She will need rest, plenty of fluids, and possibly medications.

Your child needs to be **fever-free 24 hours without the use of fever-reducing medications** before returning to school. Due to concerns about the spread of influenza and other viral/bacterial illnesses, this will be strictly enforced.

If your child has a persistent, uncontrolled cough, please keep your child home and seek medical attention.

If your child is vomiting or has uncontrolled diarrhea within the last 48 hours, keep him/her out of school.

If child has a fever with a rash, talk to your child's doctor before you take him/her to school.

If your child has strep throat, pink eye with drainage, impetigo, or other bacterial infection, have your child seen by a doctor and keep your child **out of school for 24 hours after the antibiotic treatment has been started.**

Ear infections are not contagious: your child may attend school while he or she is taking medication.

If your child has the chicken pox, your child can not attend until all the blisters/lesions are healed or scabbed over. You also need to notify the school and the Knox County Health Department to report chicken pox cases.

STUDENT INFORMATION

EQUAL EDUCATIONAL OPPORTUNITIES

Each student, being limited only by individual differences; should be given the opportunity to develop and achieve to the maximum extent possible. Therefore, the school district will foster an educational environment that provides equal educational opportunities for all students. Education programs, services, vocational opportunities and extracurricular activities will be designed to meet the varying needs of all students, and will not discriminate against any individual for reasons of race, creed, color, sex, national origin, economic status or disability.

SCHOOL HOURS

Students are allowed in the building at 7:45 a.m. They will be required to go to a designated area upon arrival until the first bell rings at 8:10 a.m. Classes begin at 8:15 a.m. and continue until 3:20 p.m. A student will take eight classes per day. Students will be assigned to a teacher. After gaining permission, students may use this time to meet with a teacher to answer questions about homework. Lunch periods are scheduled from 11:55 a.m. to 12:47 p.m. Buses will depart at 3:25 p.m.

USE OF CELLPHONE AND PERSONAL ELECTRONIC DEVICES

In accordance with the state statute, Senate bill 68 students are not permitted to use, display or turn on phones or any other personal laptops or any other electronic personal communication devices during the regular school day, including class time change, mealtimes or instructional time. Students may have their phones until the school day officially starts at 8:15. Phones should be in their locker or bag until the end of the day at 3:20.

Developments in technology in recent years have resulted in enhanced communication opportunities. However, the use of electronic devices (cell phones, smartwatches, fitness trackers, etc.) in schools could pose an increasing risk of school disruptions, bullying, criminal activity, and academic dishonesty. If a student has their device out for any reason, they are in violation of the cell

phone policy. Any student not complying with this policy will have their phone confiscated and will face disciplinary consequences.

* * * Phones are prohibited in restrooms and locker rooms.

Personal electronic devices are banned from locker rooms and restrooms at all times. No pictures or videos of staff members are to be taken without authorization from that staff member. Students who violate these rules could face disciplinary consequences.

* * * Students are not to wear wireless headphones, AirPods, etc during the school day.

DISCIPLINARY CONSEQUENCES

First Offense: Warning: The item will be confiscated turned into the office along with a teacher referral and returned to student at the end of the day. Parent notified.

Second Offense: The item will be confiscated turned into the office along with a teacher referral- 1 Hour Detention; parents contacted with phone returned at the end of the school day.

Third Offense: The item will be confiscated turned into the office along with a teacher referral. 4-hour Saturday Detention; phone picked up by parent. Parent notified.

Fourth and Subsequent offenses: The item will be confiscated turned into the office along with a teacher referral. The student will serve one day ISS. Each additional offense will be an additional day of ISS.

* These offenses will be tracked and cumulative throughout the school year.

STUDENT REFUSAL TO GIVE UP DEVICE

It shall be noted that any student who refuses to give their device up to school personnel upon request will automatically go to the 3rd offense.

* All devices brought to school will be at the student's own risk. Knox County R-1 is NOT responsible for the loss or theft of these items while on school property.

If a student needs to use their cellphone to make call they must go to the office and ask permission. They will make the call in the office and then put their phone away before going back to class.

ACADEMIC INTEGRITY

Cheating is defined as copying from another student or willingly allowing another student to copy work, using or possessing a "crib sheet", or looking in a book/device during a closed-book test. Also included in this violation would be plagiarizing an assignment or project.

In the event a student is caught cheating, the consequences will be as follows:

First Offense: Zero for test or assignment

Second Offense: Zero for test or assignment and Saturday Detention

Third Offense : Zero for test or assignment and a 3 day Suspension

TARDIES

We must insist that students be on time for school and class. If you are late to class, you are tardy. Tardies are recorded on a daily basis, and start over each semester. Following the eighth tardy the student may be assigned to a detention for each additional tardy during the current semester. A student who is late to school must first sign in at the office to assure their attendance is recorded accurately.

ATTENDANCE

Parents need to inform the school as soon as possible the day that their child is absent by calling 397-2231. Absences not reported by 10:00 AM will be recorded as unexcused/and will not be allowed to be appealed at the end of the semester without doctor excuses. If the school is not notified by 10:00 AM, a good faith effort will be made to contact parents of students who are absent.

The frequent absences of pupils from classroom learning experiences disrupt the continuity of the learning process. The benefit of regular classroom is lost and cannot be regained. Teachers cannot teach pupils who are not present. The total process of education requires continuity of instruction, classroom participation, learning experiences and study in order to obtain the maximum educational benefit for each individual student. The regular contact of pupils with each other in the classroom and their participation in a well planned instructional program under the direction of a competent teacher are vital to this purpose. Regular attendance is one of the main responsibilities of the pupil and communication with the school when your child is absent is crucial. If physically able, the pupil should attend school every day that school is in session. Absences due to minor causes are inexcusable.

PARENT VERIFIED ABSENCES

1. Illness **reported the day of the absence** by 10:00 AM.
2. Doctor's certified excuse (any illness for which student misses more than five consecutive days or an appointment during the school day).
3. Military duty.
4. Funerals.
5. Religious observances requested by parents in advance.
6. Travel, which has been approved by the principal prior to departure.

Parents or legal guardians are asked to **call the school the day of the student's absence** to report the nature of the absence. Following an absence, the student is to report to the principal's office for an excuse/unexcused slip. This is the responsibility of the student. If the student does not provide an excuse, the teacher(s) will record the absence as "unexcused-absence unknown."

ANNOUNCEMENTS

Announcements of importance will be given over the public address system. A digital bulletin will be issued daily. Announcements for the bulletin should be brought or emailed to the principal's office before school. A link to the virtual bulletin will be posted on our website knox.k12.mo.us and school Facebook page. It is updated daily.

STUDENT'S USE OF THE OFFICE

Students are welcome to come to the office when the secretary or principal can be of service. However, students should have a specific purpose for being in the office. Before students conduct any business in the office, they must obtain a pass from their current teacher stating a valid reason or purpose for the student's office visit. Students are expected to complete lunch balance purchases, bus passes, and any other transactions before the regular school day starts at 8:15 a.m.

USE OF THE TELEPHONE

The telephone is for school business, not for pleasure. Students will be called from classes to the telephone **ONLY IN CASES OF EMERGENCY**. Messages will be accepted in the office and will be delivered to students between classes or at the lunch period. If a student needs to make a phone call on their cellphone, they need to do so in the office.

LOCKERS

Lockers are provided as a service to the Knox CO. R-I students. The students will be required to care and maintain their locker and in some cases they will be required to make a security deposit in order to have access to a locker. Lockers are school property and students are required to pay for damages they cause to that property. Students should keep possessions in their lockers. Student lockers shall remain closed except for when being used directly by the student who is assigned to the locker. Combination locks are available upon request in the office. The school district is not responsible for any items stolen out of lockers.

Each student will be assigned a locker, and he or she will be responsible for its care, contents and condition. Periodic inspections will be made by the principal to see that lockers are kept neat and orderly. No permanent markings are to be put on the lockers, and inappropriate pictures and markings are not to be hung inside or outside lockers. Students who abuse locker privileges may be deprived of use of the locker. Lockers are the property of the school and may be searched at any time.

Students are cautioned not to bring large amounts of money, radios or cameras to school, and if they wear glasses or watches, to keep track of them at all times. Students, not the school, are responsible for their personal property. If it is necessary to bring more money than needed to pay for lunch, leave it at the office for safekeeping.

SEARCHES

Students have no expectation of privacy in cars, lockers, desks, computers, or other district provided equipment or areas. The district will conduct periodic and unannounced searches of lockers, computers and other district equipment. The district may use dogs to indicate the presence of alcohol, drugs, or other

prohibited substances on campus, including the parking lot. Additional searches of bags, purses, coats, electronic devices, cars, and other personal property may be conducted if there is reasonable suspicion that the student may be in possession of alcohol, tobacco, drugs, weapons, or any other prohibited substance. Searches may include hand held metal detector when deemed reasonable under the circumstances.

HALL REGULATIONS

Before school students may assemble by their lockers. Students may go to individual classrooms at 8:10 a.m. Students should only be in the classroom before 8:10 if they are getting help from a teacher. Between classes, students will pass promptly and orderly to their next period classes. There is to be no congregating in the corridors or doorways at this time. Noise and confusion are to be kept to a minimum.

High School students are not to use the elementary and middle school hallways, except while going to a class in that part of the building, during the school day. During class periods any pupil in the hall must have an authorized pass allowing them to be out of class.

Remember that the conduct of the student body in the corridor reflects to a large degree the character of the school. Try to make it all that it should be.

LIBRARY

You are invited to visit the library frequently. Library rules and regulations are posted in the room and are to be followed while you are there. Each student should have an authorized pass to the library.

CAFETERIA

The school breakfast period will be from 7:50 a.m. to approximately 8:15 a.m. Students who consume food are to do so in the cafeteria area only. High school students will not be served breakfast after 8:10 unless permission is granted by the principal.

The noon lunch period is closed--students do not have the liberty of leaving the school building. The lunch schedule is arranged so that students will eat between 11:55 and 12:47 P.M. with the teacher dismissing his/her class to eat at a designated time.

Students are expected to eat their lunches in the cafeteria. They may bring sack lunches; however, all eating is to be done in the cafeteria. **NO FOOD OR DRINK IS TO BE TAKEN OUT OF THE CAFETERIA. NO STUDENT IS TO BE OUT OF THE CAFETERIA AREA DURING THE NOON LUNCH PERIOD.**

Extra milk may be purchased in the lunch line. Students should walk in an orderly manner to the lunch line and join the end of the line. Remain in single file and orderly while waiting in the lunch line. Silverware and napkins may be picked up at the end of the food line. Students are responsible for returning all of the silverware and placing it in the receptacles provided. Napkins and milk cartons are to be deposited in trash cans.

Leave the table and floor area clean. Be pleasant and orderly; observe good table manners. Please extend teachers the courtesy of cutting in ahead of you in the lunch line.

Classes are in session while groups are eating. For this reason, confusion or movement in corridors must be kept to a minimum. Remain in the cafeteria area, going no further down the corridors than the first water fountain area.

TRANSPORTATION GUIDELINES

General Guidelines:

1. Students should be at the bus stop five minutes prior to the set pick-up time. Students should wait 50 feet from the intersection at any bus stop.
3. Please do not ask the driver to change pick-up or drop-off times or locations. If you have questions or concerns please contact the school. These concerns will be evaluated and changes made that follow the guidelines established by the State.
4. If your child will need to ride a bus other than the one to which he/she is assigned to take part in a special activity, you must provide your child a note for his/her principal at least one day in advance of your request. The principal will initial the note and notify the driver. Following this procedure helps school staff members to know where your child is in case of emergency and determine if there is enough room on the bus for your request.
5. Take time periodically to go over the bus conduct rules as found in the student handbook.
6. When you see a school bus turn on the red overhead flashing lights as it stops, remember that you must stop your vehicle. Please help us keep our students safe.
7. Students living one mile or more from the school will be entitled to free bus transportation to and from school. Free transportation will not be provided for children living closer than one mile except for those who qualify on the basis of disability.

Student Responsibilities at The Bus Stop:

1. Be at the bus stop five minutes before the designated pick-time. Wait 10 minutes after pick-up time before reporting a late bus.
2. Stay off the roadway while waiting for the bus. Maintain proper behavior at the stop (no pushing, shoving, fighting or inappropriate language).
3. Show respect for private property and public property at the bus stop.
4. **Always** cross in front of the bus and **only** at the driver's signal.
5. Go directly home from the bus stop at the end of school.

Student Responsibilities On The Bus:

1. Follow the instructions from the driver.
2. Bus drivers **will** assign seats.
3. **Remained seated until the bus comes to a stop.**
4. Follow rules for courteous and correct classroom behavior.
5. Do not put any part of the body out an open window.
6. Refrain from using profane, vulgar or abusive language. Do not shout at passing persons or vehicles.
7. Spitting on, in or out of a school bus is prohibited.
8. Avoid unnecessary noise.
9. Eating, drinking, smoking or use of an illegal substance is prohibited on the bus.
10. Littering or throwing anything in or out of the bus is prohibited
11. Weapons and unsafe-items are prohibited on the bus, as is use of any item as a weapon.
12. Do not damage the bus. Report any damage you observe to the driver.
13. Fighting, pushing and shoving are prohibited on the bus

Responsibilities Of Parents/Guardians:

1. Review and discuss the above student responsibilities with your child(ren).
2. **Teach your child(ren) that the driver is the person of authority on the bus and is to be respected.**
3. Make sure that your child(ren) arrives at the bus stop five minutes before the designated time. Make sure that your child(ren) is not at the bus stop too early.
4. Provide supervision for your child(ren) going to and from the bus stop and at the stop as necessary.
5. Make sure your child(ren) are dressed appropriately for the weather conditions.
6. **Provide transportation for your child(ren) if the privilege of riding the bus is withdrawn.**
7. Accept responsibility for the proper conduct of your child(ren).

Behaviors Which Are Not Acceptable

1. Refusing to obey the driver.
2. Failure to remain seated.
3. Eating or drinking on the bus.
4. Physical and/or verbal abuse of the driver or another student.
5. Head, hands and or feet out of the bus.
6. Fighting, pushing, shoving, littering and spitting.
7. Destruction of school property.
8. Weapons on bus (a weapon is defined as anything commonly thought of as a weapon or being used as a weapon).
9. Throwing things in or out of the bus.
10. Other dangerous or inappropriate behaviors.

The process for maintaining order on the buses:

First Violation: Driver gives the student a Verbal Warning.

Second Violation: Driver will fill out a Bus Misconduct Report and turn it in to the Principal of your student. The Building Principal will have a conference with the student and contact the parents.

Third Violation: Driver will fill out a second Bus Misconduct Report and turn it in to Building Principal who recommends student suspension from the bus pending conference with student, parents and Transportation Director.

Fourth Violation: Driver will fill out a third Bus Misconduct Report and the students' bus riding privilege may be suspended for the balance of the school year.

The number of disciplinary steps may be modified for elementary students or severe violations.

TRANSPORTATION OF STUDENTS ON SCHOOL TRIPS

Pupils being transported for a school activity will travel in school busses. The principal must approve any exception to this rule. Each group must have a faculty member in charge. A pupil injured or ill could be an exception.

EMERGENCY PROCEDURES

In case of a fire, tornado, earthquake, or any other emergency, we will make an announcement over the intercom advising the students as to the appropriate action to take. It is imperative that the students adhere to the emergency procedure that are posted in each classroom or given over the intercom.

TEXTBOOKS

The school district provides textbooks for all students in the district at no cost. Every student is obligated to give their books the best of care. Textbooks will be checked out to the student as needed in the class and will be checked back in to the teacher at the end of the year. **Loss, unnecessary marking or damage beyond reasonable wear is chargeable to the student at the end of the year.**

STUDENT I. D.s.

When students get their school picture taken, they will receive a student I. D. The I. D. will be used as their lunch card and library card.

STUDENT INSURANCE

Student insurance is available at a nominal cost and is optional. When a student insured under this plan is injured, they will be given a Claim Form at the health office. This form must be completed by their parents and presented to the doctor or hospital. The school merely acts as a medium in supplying the insurance and assumes no liability, either for the injury or the subsequent negotiations with the company.

The blanket policy covers the pupil coming to school, while at school, on their way home from school, and while participating in any school activity, including field trips and athletics, with the exception of high school football, which must be covered under a separate policy. Pupils participating in interscholastic sports should avail themselves of the insurance or have an adequate family policy.

VENDING MACHINES/TEACHER WORKROOM

Soda or candy may not be purchased by students during the school day. Students may purchase soda and/or candy bars after school. Water may be purchased before and after school and during the lunch period. Students are not allowed in the teacher workroom throughout the school day.

PICTURES

Photographers have been contracted to take student pictures. These pictures will be used for permanent records and yearbook preparation. Picture taking will be scheduled; by this arrangement, classes will have to be interrupted very little. Pictures for all MS/HS students will be taken during the school year and may be purchased.

LOST AND FOUND

Articles that are found should be brought to the principal's office immediately. Money, jewelry, keys or items of unusual value should be given directly to the secretary or principal. Be sure to come to the office to make inquiry about anything you may have lost. Clothing that is unclaimed after one month will be turned over to charitable organizations.

BULLYING AND STUDENT TO STUDENT HARASSMENT

Bullying and any form of harassment will not be tolerated. In addition, related behaviors such as hazing, teasing, clique formation, exclusion, name calling or anything that is hurtful to others will not be tolerated. School should be a safe haven for students where they can experience support and acceptance from fellow students as well as the normal expectation of receiving support from faculty and staff. High school is a challenging period of time for young adults. Part of the learning process for students is to develop social and communication skills that focus on how to treat others and in a manner that does not include putting down or exalting oneself at the expense of others.

Bullying is a continuum of **ABUSE**, ranging from verbal taunts to physical threats to dangerous actions. Bullying is not playful behavior. In bullying, one student assumes power by word or deed over another in a mean-spirited and/or harmful manner. Board Policy 2655 defines Bullying as follows: "Bullying is the intentional action by an individual or group of individuals to inflict intimidation, unwanted aggressive behavior, or harassment that is **repetitive or is substantially likely to be repeated** and causes a reasonable student to fear for his or her physical safety or property; substantially interferes with the educational performance, opportunities, or benefits of any student without exception; or substantially disrupts the orderly operation of the school. Bullying may consist of physical actions, including gestures, or oral, cyberbullying, electronic, or written communication, and any threat of retaliation for reporting acts of bullying." Knox County Schools will continually strive to provide a climate of safety and respect to help sustain a safe school climate. Students and parents are on notice that bullying will not be tolerated and will include consequences.

Knox County High School will also endeavor to provide preventative programs enabling students to deal with conflict and differences. In addition, parents will be provided with information to better enable them to combat the problems associated with bullying and abuse.

ACTIVITIES AND ATHLETICS - CITIZENSHIP

Because students are representatives of their school district and their community, the District requires that all students maintain themselves as good and creditable citizens.

Good and creditable citizenship requires that students agree to accept their obligations to attend school on a regular basis and to comply with the District's discipline code as set forth in Policy 2610 and Regulation 2610.

Good and creditable citizenship also requires that students accept their responsibility to contribute to providing a safe and positive school environment and community; that students fulfill their responsibilities at school and in the community in an honorable and trustworthy manner; and that students comply with standards of good discipline so as not to bring discredit to themselves, their school, or their community. Standards of good discipline include, but not limited to: orderly, lawful conduct; self-control; honesty;

integrity; and accountability. Behavior that would not conform to the standards of good discipline includes, but is not limited to; possession or use of tobacco products; possession or use of alcohol; possession or presence under the influence of a controlled substance; sale of a controlled substance or substance to be a represented controlled substance; use of physical force with the intent to do bodily harm; possession of a weapon; intentionally causing or attempting to cause a fire or explosion; unwanted physical touching of others; intimidation of others; disruptive behavior; theft; vandalism; truancy; use of obscene or vulgar language; and defiance of authority.

PEP ASSEMBLIES AND ASSEMBLIES

The principal must approve pep assemblies. These assemblies will be held toward the latter part of the school day, on the day of an athletic activity. The cheerleading squad will see that a suitable program is planned to assure a "peppy" and "win-inspiring" assembly.

APPROPRIATE DRESS

Students should dress appropriately for school. It is inappropriate to wear clothing or accessory items, which may disrupt the educational environment. Clothing which depict alcohol, tobacco, illegal substances, and/or obscene pictures or words, or could contribute to health and safety problems. Examples of other inappropriate clothing would be shirts that reveal undergarments or midriffs (at any time), shirts with large cutout arm openings, extremely sagging pants, and shorts that are less than 4 inches long in length, and any other clothing item that is determined to be in violation of the spirit of the dress code.

Students are not allowed to wear heavy chain accessories (chains that hang down from their billfolds, chains that are normally used for dogs, or heavy metal beaded type chains). Their clothing should be modest in nature and follow the following:

1. No spaghetti straps - must be at least 3 fingers width wide
 2. Muscle shirts with sides split down.
 3. Low rider baggie pants.
 4. Shorts must have at least a 4-inch inseam and cover your gluteal fold to be considered appropriate per administration.
 5. No bare midriffs. (Tops must cover the stomach sitting or standing)
 6. No low-cut tops that reveal cleavage (should be modest in nature).
 7. NO HATS and no hoods worn in the building unless approved for special occasions. Scarves, headbands, and other appropriate head coverings that don't conceal the eyes or cover the ears are permissible.
- This list is not all-inclusive. The administration reserves the right to restrict students from wearing any apparel, jewelry, or other personal items which does or are likely to substantially create a disruption, be a safety concern for the student or others, or be prejudicial to maintaining order.
8. No use of blankets during the school day.

DISPLAY OF AFFECTION

The display of affection to or for another person on school grounds and/or during school sponsored activities is inappropriate. Anything more than handholding is inappropriate during the instructional and non-instructional time. Failure to abide by this policy will result in disciplinary action.

AFTER-SCHOOL DETENTION

Detention begins at 3:20 p.m. on Wednesdays throughout the school year. The location will rotate between classrooms and therefore will be announced at the end of the day on Wednesdays. Detention will last 60 minutes and end at 4:20 p.m. Students are expected to serve the detention the week after it is assigned. Students who neglect to serve an after-school detention will be assigned a Saturday detention.

SATURDAY DETENTION

1. Saturday Detention will be held every Saturday unless otherwise notified.
2. Saturday detention will be held from 8:00 a.m. to 12:00 p.m. sharp.
3. The doors for Saturday detention will be closed at 8:00 a.m.
4. Saturday detention is a consequence for inappropriate behavior; therefore only appropriate behavior will be tolerated. Any student who does not behave appropriately will be immediately dismissed and thus fail to serve the detention.
5. If a student is issued a Saturday detention, he/she will have two opportunities to serve it. This will be considered the approaching Saturday and the Saturday following that.
 - a) Students assigned to a Saturday detention will be issued a reminder during school hours on the Friday preceding their assigned detention.
6. Failure to serve a Saturday detention by being dismissed or not showing up will result in the following actions:
 - a) First missed Saturday detention per semester – 3 days out-of-school suspension and the detention will be considered served.
 - b) Second missed Saturday detention per semester will result in that student being suspended until the detention has been served. Thus, the student will have a minimum of 5 days out-of-school suspension until the next available Saturday.

IN-SCHOOL SUSPENSION

Students on in-school suspension will be placed in a secluded area for 1-3 school days or part of a school day. Students will not be allowed to associate with other students during class, passing time, or lunch. During in-school suspension, students will not be allowed to participate in student activities; however, students may attend practice sessions. Teachers will provide assignments and instructions during their preparation period or earlier in the day if possible.

OUT-OF-SCHOOL SUSPENSION

While on out-of-school suspension, students will not be allowed on school property or at school sponsored events. Students may turn in completed assignments, for 100% credit, if turned in when, or before the student returns to school.

MIDDLE SCHOOL INFORMATION

ENROLLMENT POLICIES

Students are required to enroll in eight periods of classes each day. The counselor and or principal conduct all scheduling for students. The administration reserves the right to adjust student schedules in order to balance educational opportunities.

PROMOTION GUIDELINES

The Knox County R-I Board of Education, Administration and Faculty subscribe to the philosophy that promotion from one grade level to the next depends on the student's academic readiness to profit from instruction at the next grade level. The district is committed to the continuous development of students enrolled in the district. The decision to promote or retain a student will be made in the best educational interest of the student. All promotion guidelines will be in compliance with IDEA and Section 504 for students with disabilities. Students in the sixth, seventh and eighth grades are required to enroll in seven periods of classes each day. The counselor or principal conducts all scheduling of students. Any requests for change must be made in a timely manner. Classes at the middle school will be assigned credits for the purpose of promotion from sixth to seventh, from seventh to eighth, and from eighth to high school. The middle school credits will not carry over to the high school. A student enrolled as a sixth, seventh or eighth grader must achieve a passing grade (D- or above) to receive credit for a class. A student will be required to earn six (6) of seven (7) credits with four (4) credits to be earned in the core classes of language arts, math, social studies and science to be promoted to the next grade. Students failing to achieve the required credits may make up credits by successfully completing summer school. Students who fail to earn the required number of credits may be retained. All retentions are subject to administrative review. Parents and/or guardians will receive prior notification and an explanation concerning retention or the possibility of retention. Decisions regarding grade placement for a student entering the district from other educational settings will be made by administration and staff appropriate to the student's previous record, achievement administered and/or other factors. Transfer students are required to submit evidence of their achievement in the last grade.

HONOR ROLL

Quarter honor rolls will be published, including pupils who have earned an average "B" or 3.0-3.62 grade point average for the "B" honor roll, and "A" or 3.63-4.0 for the "A" honor roll.

GRADE POINT AVERAGE

Knox County Middle School uses a 4 point scale in calculating honor rolls and student grade point averages. All semester and full year classes are included in the calculation, except classes on a pass/fail grade. A pass grade does not affect grade point average, but a fail grade is calculated in the student grade point average.

GRADE SCALE

A.....	95-100
A-.....	90-94

REPORTS

There are several purposes for homework. At Knox County Middle School homework is used to help students understand and review the work that has been covered in class, to see whether students understand the lesson, and to help students learn how to find and use more information on a subject. Homework can also serve as a communication link between school and home that shows what children are studying.

Schools in which homework is routinely assigned and graded tend to have higher achieving students. Homework should be necessary and useful, appropriate to the ability and maturity level of students, well explained and motivational, and clearly understood by students and parents. Homework should be tied to the current subject matter, assigned in amounts and levels of difficulty which students can complete successfully, and should be checked quickly, with feedback to students.

Knox County Middle School is eager to provide the best possible educational opportunities for all our students. These include physical facilities, professional and supportive staff, learning materials and other resources. Only about seven hours per day of a pupil's time is under the control of the schools. Therefore, parents and the public share the responsibility for educating children in all aspects of life. Homework, along with sports, special programs, and other activities is an important link in a total educational program.

Definition of Homework

Homework is defined as tasks assigned to students by school teachers that are intended to be carried out during non-school hours if not completed during class time. Generally speaking, these assignments are routine in nature.

Responsibility of the Student

It is the responsibility of the student to:

A. Keep an up-to-date agenda/planner for homework and other assignments and their due dates
B. Clarify with the teacher any instructions not understood. C. Turn in homework on the due date.

D. Complete homework in proper form, clearly identified with name and class, legibly written or typed, and grammatically correct.

E. Arrange a proper study area, either at home or in school, and manage time to accomplish homework assignments.

F. Establish a regular weekly study schedule that is relatively free from distraction (television, telephone calls, etc.)

G. For preplanned absences (family vacations, school activities, sports, etc.) students should approach the teacher prior to the absence for assignments so work is completed upon their return.

Responsibility of the Parent

It is the responsibility of the parent to:

- A. Make homework a daily activity.
- B. Assume your student will have studying to do every night.
- C. Set up a comfortable location for doing homework. This does not have to be a “special” room, but should have good lighting and be free of distractions. Allow your student(s) to study in the way each of them learns best.
- D. Make sure your student has the necessary supplies.
- E. Work with your student’s outside activity schedule and preferences when setting up a regular homework time.
- F. Help your student get organized. One way is by regularly checking their agenda.
- G. Ensure that your student knows each teacher’s homework policy.
- H. Show interest in your student’s schoolwork and discuss what your student is learning.
- I. Watch for signs of failure or frustration.
- J. Discuss with your student and then, if necessary, contact the teacher to clear up any misunderstandings, troubleshoot problems, discuss time management and be informed about your student’s learning progress.
- K. Check progress on homework through SIS K-12.
- L. Coordinate homework efforts with the teacher in special cases.

Responsibility of the Teacher

It is the responsibility of the teacher to:

- A. State clearly the purpose of the assignment.
- B. Explain how the assignment is related to the topic under study.
- C. Ensure that the child has the skills to complete the homework assignment by providing demonstration of skills during guided practice in the classroom.
- D. Explain how the assignment might best be carried out.
- E. Explain what the student needs to do to demonstrate the assignment has been completed.
- F. Provide specific written explanation of long-range assignments so that the requirements and expectations are clearly understood by the students and their parents.
- G. Review the assignment before giving it to students and anticipate difficulties.
- H. Define “late” for assignments and consequences for lateness, and clearly communicate both to students. Repeat periodically.
- I. Have students write down assignments or hand out written assignments rather than relying only on communicating assignments orally.
- J. Provide feedback in a timely manner.
- K. Use results of homework to plan future instructional activities.
- L. Include homework as part of the student’s overall grade.

Responsibility of the Administrator

It is the responsibility of the administrator to:

- A. Communicate the school’s homework policy to parents.
- B. Monitor the implementation of the policy.
- C. Coordinate the scheduling of homework among different subjects, if needed.
- D. Serve as mediator, should the need arise.

ATTENDANCE

Students are expected to maintain a 90% attendance in each class. Knox County Middle School feels that attendance is the mainstay of developing a good work ethic, both as a student, future employee and contributing member of society.

With a student's sixth absence, the parent or legal guardian may be contacted. Student's who exceed the 6 absences may appeal within ten school days of receiving notification. School employees are mandatory reporters and excessive absences may be reported to the Children's Division for educational neglect if there are not doctors notes or and explained reason for the excessive absences if a student in leaving school early or arriving to school late, they must first check in with the office. Students may only be dismissed early to the custody of a parent or legal guardian. A note requesting the early dismissal should be brought to the office at the beginning of the school day or the parent should call the office as early as possible with the request. Students are asked to take the responsibility to arrive at the office at the time requested so as to minimize classroom disruptions.

LATE WORK POLICY

Homework is defined as tasks assigned to students by school teachers that are intended to be carried out during non-school hours if not completed during class time. Generally speaking, these assignments are routine in nature. Homework turned in complete, according to expectations, and on time will be eligible for full credit. Late homework is highly discouraged at Knox County Middle School. Each teacher has their own individual policy for dealing with late homework. Many core teachers will give each middle school student one coupon per quarter in each core class which will allow the students to turn in a late or missing assignment, once completed, for full credit. Late homework may be accepted in special circumstances if the teacher approves the assignment for credit. Those decisions are the sole discretion of the classroom teacher.

SCHOOL-SPONSORED ACTIVITIES

School-sponsored activities shall be held in the cafeteria or gym under the supervision of sponsors, administrators, and other adults deemed necessary for proper chaperonage of the function.

Students wanting to attend a school dance must maintain no failing grades (F) in order to be eligible for the activity, grade checks will be conducted the Wednesday before the dance. Each student with a failing grade will be notified.

Students must be in attendance at least 4/7 of the school day to be allowed to attend school sponsored activities.

MIDDLE SCHOOL ACTIVITIES

As a member of KCMS students may be eligible to participate in several activities.

STUDENT COUNCIL-The KCMS Student Council is a representative group of the student body. It will serve as a communication network between the student body and the administration. Any student ideas or concerns can be voiced via the student council.

SPORTS—Six, Seventh and Eighth grade students may participate in football, softball, basketball, track and cheerleading as dictated by the rules of MSHSAA. Sixth graders are encouraged to join the Booster Club to participate in football, basketball and cheerleading, which the Booster Club sponsors.

AWARDS--KCMS students will have an opportunity to earn several awards during the course of the year, which include citizenship, reading circle, and highest percentage in any core subject, student council, math teams, academic teams, music, attendance, sports and any local awards that might be given. These awards will be given to the students at Awards Night in May.

MATH TEAM--Those qualifying students interested in improving their math skills can participate in the middle school math team.

SCIENCE CLUB - Designed to promote students interest and knowledge in science as well as increase students awareness of science in the real world. Members of this club will participate in a variety of activities which may include monthly meetings, service projects, and social events.

HIGH SCHOOL INFORMATION

ENROLLMENT POLICIES

Students are required to enroll in eight periods of classes each day, except as noted on succeeding pages under “Early Graduation.” The counselor and/or principal conduct all scheduling of students. The administration reserves the right to adjust student schedules in order to balance educational opportunities.

CLASS STATUS

To qualify for specific grade status, students must meet the following criteria:

- Freshman Status - Promotion from the 8th grade.
- Sophomore Status - Minimum of 7 units of credit prior to the beginning of the school year.
- Junior Status - Minimum of 12 units of credit prior to the beginning of the school year.
- Senior Status - Minimum of 18 units of credit prior to the beginning of the school year.

GRADUATION REQUIREMENTS

The Board of Education has established the following guidelines for graduation from the Knox County R-1 High School:

Beginning with the class of 2026, Students will be required to complete at least 28 credits to graduate high school. Because of the transition from a seven period school day to an eight period school day for the 2022-2023 school year, graduation requirements for the class of 2023 is 25 completed credits, class of 2024 is 26 completed credits, class of 2025 is 27 completed credits, and class of 2026 is 28 completed credits.

1. Starting with the class of 2026, all non-handicapped students graduating will be required to have completed at least 28 units of credit. Specific subject area requirements are listed below. Graduation requirements for educationally handicapped students will be addressed in the student’s Individualized

Educational Program (IEP).

- 2. Transfer students who are unable to meet these requirements for graduation will be permitted to graduate if:
 - a. they have done satisfactory work since the date of transfer, and
 - b. they have been unable to meet these requirements due to conditions beyond their control, and
 - c. they would have graduated from their former school if they had not transferred.
- 3. One unit of correspondence credit will be applicable toward units required for graduation. This must be from an accredited public institution of higher education, designed for the secondary level, and approved in advance by the high school principal.
- 4. In addition to the program of study for graduation, a student must pass proficiency examinations concerning the Missouri and United States Constitutions, and United States Civics as well as receiving 30 minutes of CPR/Heimlich maneuver training to qualify for graduation.
- 5. Only students meeting the criteria for graduation will participate in the graduation ceremony.

GRADUATION HONORS

Those levels are:

1. Summa Cum Laude

- a. GPA 3.95-4.00+
- b. Minimum 22 ACT
- c. Rigorous Course of Study

2. Magna Cum Laude

- a. GPA 3.75-3.94
- b. Minimum 22 ACT
- c. Rigorous Course of Study

3. Cum Laude

- a. GPA 3.50-3.74
- b. Minimum 22 ACT
- c. Rigorous Course of Study

Students who receive graduation honors will be designated by special cords during the ceremony. With the new honors system in place, Knox County High School will be selecting the graduation speakers through a faculty/ student committee process. The following steps will be taken to select the speakers:

March: Seniors who are interested in being the graduation speaker will submit a written speech to the principal for approval. A committee of teachers and seniors (selected from senior student council members) will read the anonymous speeches and narrow down the pool.

April: Seniors who had their written speeches selected by the committee will perform their speech for the committee and the final graduation speakers will be selected.

May: Graduation speakers will work with appropriate faculty members to prepare for the speech.

SPECIFIC SUBJECT AREA REQUIREMENTS

(The grade level indicated in parentheses is the customary placement in the high school program. The counselor and/or principal do the scheduling.)

ENGLISH: 4 UNITS (GRADES 9, 10, 11, 12)

Four units of work in generalized Language Arts, which emphasize oral and written expression, diversified reading and appreciation of literature. Introductory courses and work in grades 9 to 11 will prepare the student for additional courses offered in the curriculum.

SOCIAL STUDIES: 2 UNITS (GRADES 9, 10)

Two units, including one unit of American History to be fulfilled by completing two semester courses in specific areas of the history of the American people.

GOVERNMENT/CIVICS: 1.0 UNIT (GRADES 11)

A course in government at the federal, state and local levels. Examinations on the provisions and principles of the United States and Missouri Constitutions, as required by state law to graduate.

MATHEMATICS: 3 UNITS (GRADES 9, 10, 11)

Three units from algebra, geometry, transitional, or applied math to meet needs and interest of the pupil.

SCIENCE: 3 UNITS (GRADES 9, 10, 11)

One unit in Biology and 2 choices from other science offerings which can include science credit embedded into other disciplines.

FINE ARTS: 1 UNIT (GRADES 9, 10, 11, 12)

One unit in the fields of music and/or art to meet needs/interest of pupil.

HEALTH: .5 UNIT (GRADE 9)

One semester of health education is required.

PRACTICAL ARTS: 1 UNIT (GRADES 9, 10, 11, 12)

Vocational Agriculture Industrial Technology Vocational Business (Business Technology) Business Vocational Education (Kirksville Vo-Tech)

PHYSICAL EDUCATION: 1 UNIT (GRADES 9, 10)

Two semesters of credit being earned in comprehensive physical education classes. A pupil with physical disabilities may be excused from those activities, which will be detrimental to his/her health. (A medical excuse from a doctor must be on file with the permanent record of the pupil, and the school will contact the physician to determine the student's abilities and limitations).

PERSONAL FINANCE: .5 UNIT (GRADE 11)

One half credit as required by the state of Missouri. Information on personal finance as it applies to the real world will be covered. Students will be required to take a state exam at the end of the course.

ELECTIVES: 11 UNITS

Placement in courses to meet the needs and interest of the pupil. Every elective should be chosen because the knowledge and skills taught in the course will strengthen a student's vocational or technical preparation or because it will increase the student's probability of succeeding in college or other postsecondary training. Students should not be permitted to select electives randomly or simply to accumulate the required number of units of credit.

Prior to graduation all students must participate in statewide assessments known as End-of-Course Examination (EOC) for high school level courses as required by the Department of Elementary and Secondary Education. Students will take these exams at the end of the course. The results will be used by the state for our Annual Performance Report (APR), and at the federal level for the Adequate Yearly Progress (AYP) as mandated by No Child Left Behind.

During a student’s 11th grade year they will be provided with an opportunity to take the ACT exam, administered at KCHS, at no cost to the student. Students who forgo this opportunity to take the ACT exam during their junior year will be required to take the ACT WorkKeys assessment during their senior year .

PLACEMENT, CREDIT, AND VARIANCES FOR TRANSFER STUDENTS

The following guidelines may be used for determining grade placement of transfer students and recognizing credit from their prior schools.

Transferring from	Board Policy
● Another public high school in a school district accredited by the Missouri State Board of Education	● Accept credit, pursuant to 171.171, RSMo, and grade placement as stated on transcript.
● A nonpublic high school or charter school in a school district accredited by the North Central Association (NCA), Independent Schools Association of Central States (ISACS), or the University of Missouri Committee on Accredited Schools ● Private agency placement by public school district for students with disabilities	● Accept grade placement and credit as stated on transcript and equated to the Carnegie unit as defined in Missouri.
● A public or nonpublic high school in another state accredited by that state’s department of education, NCA or its equivalent, or ISACS or its equivalent agency.	● Accept grade placement and credit as stated on transcript and equated to the Carnegie Unit as defined in Missouri.

• An unaccredited public or nonpublic high school in Missouri or another state. • A charter public high school that is not accredited by the NCA or its equivalent • Home school • Private agency placement by parents/guardians of students with disabilities	• Review reported courses and any available achievement test or other performance data. • Interview student and parents. • Administer formal and informal assessments if records are inadequate. • Make a tentative placement decision based on available information. • If placement is ninth grade, students should be required to meet all state and local graduation requirements. • Parents/guardians of home-schooled children must provide documentation as
---	---

~~required in 167.031, RSMo.~~

EMBEDDED CREDIT

Students may earn credit toward graduation from a class whose competencies are embedded in another subject. School districts who offer embedded credit must notify the Department of Elementary and Secondary Education. The notification must include assurances that the embedded content is closely aligned to the subject in which that content will be taught. The embedded content must also align closely to the Missouri Show-Me Standards and Grade Level Expectations.

ONLINE HIGH SCHOOL CREDIT

The district may assign credit for courses that are taught through Edmentum online or other approved programs. Online classes are typically used when a student needs a specific credit that they are not able to get during the school day, this will allow the student an opportunity to take classes which are not offered in the KCHS Career Pathways Guide. Therefore, if a class is offered at KCHS, the students may not take the same course online. The following regulations will apply to students who choose to take a High School Online course during the school year.

1. Students will be assigned a specific supervisor, who will be a member of the Knox County R-1 staff.
2. Once students have been enrolled in the online class, they may not choose to “drop” the course.
3. **No** online classes for high school credit only will be “weighted” for the purposes of calculating GPA or class rank.

OPTIONS TO FULL-TIME STUDENT EARLY GRADUATION

A student who has earned the minimum required credits for graduation by the end of the seventh (7) semester may discontinue his/her attendance at Knox County R-I High School. Students who wish to graduate early will be required to meet with the guidance counselor and submit written notification to the principal by September 15 following completion of six (6) semesters. The guidance counselor will notify the student's parents or guardians of the student's decision if the student is a dependent. For students graduating early, the following guidelines apply:

1. Students who complete all graduation requirements established by the state and the local School Board and receive their diploma prior to the end of the school year may choose to participate in the spring graduation ceremony. However, they will not be eligible to participate in any other end-of-year senior activities. Upon completion of all graduation requirements and receipt of their diploma, the student will be considered an alumnus or alumna (alumni) of the district.

2. Students are not eligible for competitive recognitions that are based on GPA and class rank. These include:

A. Honors Graduates

B. Local scholarships and awards presented to graduating seniors who have completed eight (8) s semesters of course work.

3. Students will need to check with colleges to which they are applying as to their eligibility for college-based scholarships, awards and aids.

After an application has been submitted, the principal shall rule on the request and report to the Superintendent the names of all students who are approved for early graduation. This same report shall be transmitted to the Board of Education. In the event the principal denies the request, the student may appeal to the Superintendent who will respond in a reasonable time. If the student is not satisfied with the decision of the Superintendent, an appeal may be made to the Board of Education with the appeal to be heard at the next meeting of the Board.

HONOR ROLL

Quarter honor rolls will be published, including pupils who have earned an average "B" or 3.0-3.62 grade point average for the "B" honor roll, and "A" or 3.63-4.0 for the "A" honor roll. A regular or standard point value will be used for all classes not designated as weighted. Weighted classes are noted on the courses offered by department list.

REGULAR & WEIGHTED GRADE POINT VALUES

LETTER GRADE	Point Value	Point Value
	Regular Classes	Weighted Classes
A-Excellent	4	5
B-Superior	3	4
C-Average	2	3

D-Inferior	1	2
F-Failing (No Credit)	0	0

ACADEMIC LETTER

The Board of Education has established the following guidelines for academic letters for Knox County High School students in grades 9 through 12. Letters will be awarded in the fall of each year and will be given to students not previously receiving the letter and who have earned a grade point average of 3.0 or better in three of the four quarters in the preceding year. Students already possessing a letter will receive the appropriate bar. A gold bar will be given to students on the A honor roll three of four quarters and a silver bar to those on the B honor roll three of four quarters.

GRADE POINT AVERAGE

Knox County High School uses a weighted 4 point scale in calculating honor rolls and student grade point averages. All semester and full year classes are included in the calculation, except classes on a pass/fail grade. A pass grade does not affect grade point average, but a fail grade is calculated in the student grade point average.

GRADE SCALE

A.....	95-100
A-.....	90-94

ARTICULATION CREDIT

Articulation is a process that allows the linkage of two or more educational institutions in order to provide a smooth transition for the student going from one level to the next without delays, duplication, or loss of credit. Earning articulation credit benefits the student by granting them advanced standing at college due to credits earned in high school, thus the student spends less time (and money) in college. It also reduces duplication of classes, as the student doesn't need to spend time on the areas he or she has already earned credit.

Knox County High School students who attend the Kirksville Area Vo-Tech are given the opportunity to earn articulation credits prior to enrolling in specific post-secondary programs of study through articulation agreements.

Students who complete a program of study at the Vo-Tech and wish to further their education in that field after graduation may apply their Vo-Tech coursework toward specific programs of study at these schools.

The Counseling & Career Center and the Vo-Tech have more information available pertaining to these articulation programs.

Students enrolled in vocational programs in business and agriculture at Knox County High School may also earn college credit through articulation agreements with some community colleges in the state. Specific courses and requirements are available from the vocational instructor or from the counselor. Articulation agreements are in place with:

Moberly Area Community College (Moberly, MO)
Linn State Technical College (Linn, MO)
North Central Missouri Community College (Trenton, MO)
Indian Hills Community College (Ottumwa, IA)
American Institute of Business (Des Moines, IA)
State Fair Community College (Sedalia, MO)

DUAL ENROLLMENT/CREDIT (Juniors/Seniors only)

Dual credit is a process, which allows Knox County High School students the opportunity to earn college credit from Missouri Southern State University, Culver Stockton College and/or Moberly Area Community College while completing specific courses at our high school. By enrolling in specifically approved classes taught at our school during normal school hours, students can earn credits that apply directly toward high school graduation and college. Before enrolling, a student must have a 3.0 (8.25) grade point average (individual course/ colleges may have additional enrollment requirements) and they must pay a nominal fee (about one fourth what a college student pays) for these classes. The school district will not pay for online classes in which student receives “dual” credit from a postsecondary community college or 4-year college or university. Upon earning a grade of A, B, or C (and D from MACC) they receive college credit. Dual credit is an excellent way for high school students to become familiar with college courses and to get an extra boost of confidence before enrolling in college full time.

Online courses run on a semester basis. Most online courses begin later and end earlier than our local school calendar. With no proof of completion, the student will receive an “F” as a final grade.

SCHOOL-SPONSORED ACTIVITIES

School-sponsored activities shall be held in the cafeteria or gym under the supervision of sponsors, administrators, and other adults deemed necessary for proper chaperonage of the function. Members of the student body in good standing may bring guests, on this basis:

1. The student may invite one guest only.
2. The student must sign up a guest in the principal's office by the designated date prior to the event. Students who invite a guest from another school to a dance must fill out a dance request form. The form will be faxed to the guest's school for approval by the guest school's administration.
3. The guest must accompany the student who issued the invitation.
4. Students and guests at school-sponsored affairs will observe the "once-in, once-out" rule.
5. Guests at a school-sponsored affair will be required to comply with Knox County High School regulations.

6. The student himself/herself shall be responsible for the proper conduct of his/her guest and shall bear the consequences with school officials for misbehavior on the part of the guest.
7. Infraction of rule, or rules, will result in the privilege for invited guests to be withdrawn, or the complete cancellation of the social function.
8. All guest must be under the age of 21 years old to attend a school sponsored event.
9. Students wanting to attend a school dance must not have a failing grade (F).

STUDENT COUNCIL

The student council is an important student organization in our school. Council members must carry a great responsibility. They will meet with teachers to solve various problems. They cooperate with the faculty in sponsoring various school activities. They are the voice of the student body at council meetings where they express the desires of the students. This organization provides an opportunity for democracy in action and is, therefore, entitled to your cooperation and respect.

SCHEDULE CHANGE

Students select courses, with the help of the counselor, for each academic year during the spring or summer of the previous school year. Before the start of school or before second semester, students are allowed to make changes to their schedule of classes. Any core content changes will need to be approved by admin. **Once the semester has begun, there will be no schedule changes.**

ABSENCES

Students who fall below the 90% attendance rate for a semester will be assigned an attendance factor which will affect their semester grade(s) for the class(es) in which they have the factor applied .

1. The office will record absences by verified by parent or unknown.
2. Students whose absences that are not verified by a parent and are marked unknown will receive no credit for makeup work.
3. Students whose absences are parent verified will be allowed to make up class work for credit. Students must arrange for make-up work by the next class following the absence. Make-up assignments must be completed within the time designated by each teacher (not more than one day for each day absent). Absences that the student knows about in advance the homework should be asked for before the absence.
4. Making up work that was missed during a prolonged absence due to illness may be handled on an individual basis between the teacher and student.

Attendance guidelines- Parent verified absences are based on the honesty and integrity of the parent or legal guardian. Parents/guardians are asked to contact the school the day of the student's absence to report

the nature of the absence. An absence will be recorded UNVERIFIED or UNKNOWN unless and/or until the parent/ guardian contacts the school. The student must also provide documentation at this time if none has been provided beforehand. This requirement is the responsibility of the student. If the student does not provide documentation, the teacher(s) will record the absence as UNEXCUSED. Nothing in this policy is intended to be, nor should it be construed as, disciplinary or punitive in purpose or result. Accordingly, provisions, which comprise our academic attendance policy, are:

- Students are expected to maintain a 90% attendance in each class. Knox County High School feels that attendance is the mainstay of developing a good work ethic, both as a student, future employee and contributing member of society.
- Students who do not maintain a 90% attendance, for ANY reason, in each class will be put on an attendance factor for that particular class. This attendance factor will equal the student's average daily attendance/class for the semester and will be deducted from their final semester grades. An example would be that if a student earned a 95% semester grade but fell below 90% attendance with an 85%. The student would only receive 85% of 95 for the semester ($95 \times .85 = 80.75\%$). The student would receive a B- as opposed to an A for the semester.
- Students are not allowed to make up time.
- The student's semester grade cannot fall below 60% as a result of an applied attendance factor.
- Each student's average daily attendance will be printed on all quarter & semester grade reports for parents to monitor.
- A good faith effort will be made by the high school office to communicate with parents and students when their attendance is close to falling below the 90% level for the semester.
- A student may appeal to the attendance committee if they fall below the 90% attendance/class for reasons that they feel are beyond their control. The attendance committee reserves the right to waive the attendance factor.

APPEALING ATTENDANCE

A student and parent may appeal this policy, in writing within ten school days of official notification from the HS Principal, to the attendance committee, which will be comprised of the HS principal and three staff members selected by the principal. This decision may be appealed to the superintendent and then to the Knox County R-I Board of Education. Students, who miss six or more days of school due to extended illness (confirmed by a doctor), serious accidents, or any other extenuating circumstances, are examples of cases suitable for appeal. Appeal decisions will be reviewed within the last two weeks of the semester.

WITHDRAWAL FROM SCHOOL

In the event a student withdraws from school, they must notify the principal of their intent to leave school, return all books and equipment owned by the school, pay all fees, fines or dues that are due and request that his official records be forwarded to the new school. Failure to take these steps may result in the transcript not being released. A student will be dropped from enrollment after their tenth consecutive absence from school without communication from parent or a medical professional.

A+ SCHOOLS PROGRAM

Knox County R-I High School has been designated by the Missouri Department of Elementary and Secondary

Education as an A+ High School. The A+ vision for the Knox County R-1 School District is to provide all students the necessary knowledge and skills to be successful in their endeavors beyond high school.

The three goals of the A+ Schools Program are to ensure that all students graduate from high school, to ensure that all students complete a selection of high school studies that is challenging and has identified learning expectations, and to ensure that all students proceed from high school graduation to a college, post-secondary vocational or technical school or a high wage job with workplace skill development opportunities. Graduates of Knox County R-I High School may be eligible for two years of paid tuition and fees to attend any Missouri public community college, vocational school, or technical school for a period of four years from the date of graduation.

To be eligible, students must meet the following requirements:

- Sign an A+ Participation Agreement.
- Attend three consecutive years and graduate from a designated A+ School.
- Graduate with a 2.5 (6.875) cumulative GPA on a 4.0 (11.0) GPA scale.
- Graduate with an attendance record of 95% for the four years of high school.
- Complete fifty hours of unpaid tutoring/mentoring.
- Maintain a record of good citizenship and avoid the unlawful use of drugs/alcohol.
- Make a good faith effort to first secure all available post-secondary funds that do not require repayment by submitting the FAFSA to receive funds.
- Register with Selective Service, if applicable.
- Must score proficient or advanced on the Algebra I EOC.

ACT math score	17 or greater	16 or greater	15 or greater
High School Cumulative Unweighted GPA	2.5 or greater	2.8 or greater	3.0 or greater

Students interested in the A+ Schools program may obtain information from the A+ coordinator located in the Counseling and Career Center.

* The A+ Handbook is available on the Knox County R-1 Website *

TRANSCRIPTS

Seniors expecting to attend college should leave a request at the counselor's office early in the summer after graduation for a transcript to be sent to the school they will attend. Transcripts will be made available directly to eligible pupils or former pupils as required by law.

PARKING/ PARKING LOT

Parking is available for students in designated areas. Parking spots will not be assigned, but will be first come, first serve. Students must abide by all school and traffic rules and directives. If rules are not followed, parking privileges will be revoked. Students entering the school parking lot may use the far east driveway. When leaving the parking lot at the commencement of the school day, students also must use the far-east driveway. As busses begin to exit the parking lot, students must wait to exit until all of the busses have left. Once busses have left, students may proceed to their destination. Students found to not abide by these regulations may have driving privileges revoked in addition to other disciplinary action deemed necessary by the principal. Student drivers are asked to register their vehicle with the High School office at the

beginning of the year or as they become licensed drivers throughout the school Office at the beginning of the year or as they become licensed drivers throughout the school year.

CLASS MEETINGS

Class meetings will be scheduled when needed. Classes will elect officers as follows: President, Vice-President, Secretary, Treasurer, and Reporter. Times and places of class meetings will be announced.

VOCATIONAL TECHNICAL STUDENTS

All students enrolled in the Vocational-Technical programs and being bussed to Kirksville will comply with all policies in this handbook and in the Vocational-Technical School handbook. Students are required to ride the bus to and from Kirksville. Any student who misses the bus to Kirksville will need permission from the principal or his designee in order to be admitted at the Vocational school. The principal must specifically approve exception to this rule. Any student in violation of the transportation rule for Vocational school will be subject to disciplinary action. Repeat violators may be kept out of the Vocational school the following semester.

All Vo-Tech students will be in attendance at KATC on days the vocational school is in session. This includes days that Knox County does not have session. For example, if KCHS has no school due to professional development but KATC is in session, students will be expected to attend Vo-Tech that day. On days when Knox County is in session and Kirksville is not, Vo-Tech students will attend their regularly scheduled classes in the morning and then be dismissed to go home. Students will not attend Vo-Tech for the following reasons:

- 1. Early dismissals due to inclement weather.
 - 2. School not in session due to inclement weather
 - 3. Student is absent from school due to an illness or other verified legitimate excuse.
 - 4. Prior notification from the Principal not to attend on a specific day(s).
- Failure to adhere to these attendance expectations could result in student disciplinary actions including: Warnings, After-School or Saturday Detentions, Suspensions, and ultimately Expulsion from the Vocational-Technical School.
- 5. Vo-Tech allows students an opportunity to take classes which are not be offered in the KCHS Career Pathways Guide. Therefore, if a class is offered at KCHS, the students may not take the same at class at KATC.

INITIATION

There shall be NO class initiations in the Knox County High School. Initiations for members in FFA, FBLA or other student organizations may be held as recommended by the by-laws of these organizations.

STUDENTS Regulation 2610 Discipline

Misconduct and Disciplinary Consequences

The discipline code set out in this regulation is intended to be illustrative but not an exclusive listing of acts of misconduct and the consequences for each. Misconduct which is not specifically listed in this regulation may be deemed to warrant discipline up to and including expulsion following provision of all due process procedures. In addition, the disciplinary consequence listed for each offense may be increased or decreased by the Administration or the Board of Education due to mitigating or aggravating circumstances.

Copies of this regulation or the student handbook which includes the code of student conduct and disciplinary consequences, as well as the District's corporal punishment policy, if any, will be provided to each student at the beginning of each school year. Copies of these documents will also be available for public inspection during normal business hours in the Superintendent's office.

Violations Against Public Decency and Good Order

Use of language That is Disparaging or Demeaning – Use of words or actions, verbal, written or symbolic meant to harass or injure another person; i.e., threats of violence or defamation of a person/s race, religion, gender or ethnic origin. Constitutionally protected speech will not be punished.

STUDENTS Policy 2655 (Form 2655)

Discipline Bullying

The District is committed to maintaining a learning and working environment free of any form of bullying or intimidation. Bullying is strictly prohibited on school grounds, or school time, at a school sponsored activity or in a school related context. Bullying is the intentional action by an individual or group of individuals to inflict intimidation, unwanted aggressive behavior, or harassment that is repetitive or is substantially likely to be repeated and causes a reasonable student to fear for his or her physical safety or property; substantially interferes with the educational performance, opportunities, or benefits of any student without exception; or substantially disrupts the orderly operation of the school. Bullying may consist of physical actions, including gestures, or oral, cyberbullying, electronic, or written communication, and any threat of retaliation for reporting acts of bullying.

Cyberbullying means bullying as defined above through the transmission of a communication including, but not limited to, a message, text, sound, or image by means of an electronic device including, but not limited to, a telephone, wireless telephone, or other wireless communication device, computer, or pager. The District may prohibit and discipline for cyberbullying that originates on any District campus or at a District activity if the electronic communication was made using the school's technological resources, if there is a sufficient nexus to the educational environment, or if the electronic communication was made on the District's campus or at a District activity using the student's own personal technological resources. Further, students who engage in significant acts of misconduct off campus which materially and adversely impact the education of District students will be subject to discipline.

Bullying, as defined in this policy, is strictly prohibited. Students are encouraged to report any incident of bullying which they have witnessed or incurred, by contacting their building principal. District employees are required to report any instance of bullying of which the employee has witnessed within two (2) school days of the occurrence. Employees shall report the occurrence to the building principal, who is the person the District designates to receive reports of incidents of bullying. A principal who receives a report of an incident of bullying shall initiate an investigation into the allegations within two (2) school days of receipt of the report. The principal may assign other employees to assist in the investigation, or request that the superintendent assign an outside investigator. The investigation shall be completed within ten school days from the date of the written report of bullying unless good cause exists to extend the investigation. No employee or student who reports an act of bullying shall be subject to reprisal or retaliation for making such a report. Any person who engages in reprisal or retaliation against an employee or student who reports an act of bullying shall be subject to disciplinary action.

Policy 2655 Page 3

Students who are found to have violated this policy will be subject to consequences depending on factors such as: age of student(s), degree of harm, severity of behavior, number of incidences, etc. Possible consequences to a student for a violation of this policy include: loss of privileges, classroom detention, conference with teacher, parents contacted, conference with principal, in-school suspension, out-of-school suspension, expulsion and law enforcement contacted.

The District shall give annual notice of the policy to students, parents or guardians, and staff.

This policy shall be included in all student handbooks. This policy shall also be posted on the District's web page (as a Board policy) and a copy shall be placed in the District Administrative Office.

The District shall provide information and appropriate training to District staff who have significant contact with students regarding the policy. All staff with significant student contact shall be trained on the requirements of this policy on an annual basis.

The District shall provide education and information to students regarding bullying, including information regarding this policy prohibiting bullying, the harmful effects of bullying, and other applicable initiatives to address bullying, including student peer-to-peer initiatives to provide accountability and policy enforcement for those found to have engaged in bullying, reprisal, or retaliation against any person who reports an act of bullying. The District shall instruct its school counselors, school social workers, licensed social workers, mental health professionals, and school psychologists to educate students who are victims of bullying on techniques for students to overcome bullying's negative effects. Such techniques include but are not limited to, cultivating the student's self-worth and self-esteem; teaching the student to defend himself or herself assertively and effectively; helping the student develop social skills or encouraging the student to develop an internal locus of control. District administrators will implement programs and other initiatives to address bullying, to respond to such conduct in a manner that does not stigmatize the victim, and to make resources or referrals available to victims of bullying.

Knox County R-I School District, Edina, Missouri

Meal Charges Policy 5550

The purpose of this policy is to maintain consistent meal account procedures throughout the District. Unpaid charges place a financial strain on District finances. The Food Service Department is responsible for maintaining food charge records and for notifying the District's accounting department of outstanding balances.

Administration

1. Student Groups:

- Elementary students who have a negative balance will be sent a letter asking for payment.
- Middle School and High School students will be allowed to charge a maximum of ten (\$10.00) dollars.

After this maximum has been met, the student will be given a designated menu alternate. These will meet all Federal guidelines. The alternate lunch does not apply for students who are free.

2. No charges will be allowed for ala carte foods and beverages.

3. Parents/guardians of students with negative balances will be contacted electronically, by correspondence, or by phone call.

4. End of the year balances:

- Parents/guardians will be sent a written request for "payment in full."
- All charges not paid before the end of the school year will be carried forward into the next school year.
- Graduating seniors must pay all charges in full. Failure to do so may result in the delinquent student being denied participation in graduation ceremonies.

5. If a financial hardship is suspected, families will be encouraged to apply for free/reduced meals at any time during the school year.

6. Each building principal will send a letter to all parents on or before the first day of school notifying them of the requirements of this policy. This policy will also be published on the District's website.

Earthquake Safety For Missouri's Schools

The New Madrid Seismic Zone Extends 120 Miles Southward from the area of Charleston, Missouri, and Cairo, Illinois, through New Madrid and Caruthersville, following Interstate 55 to Blytheville and on down to Marked Tree, Arkansas. The NMSZ consists of a series of large, ancient faults that are buried beneath thick, soft sediments. These faults cross five state lines and cross the Mississippi River in three places and the Ohio River in two places.

The New Madrid Seismic Zone and surrounding region is Active, Averaging More than 200 Measured Events per Year (Magnitude 1.0 or greater), about 20 per month. Tremors large enough to be felt (Magnitude 2.5 – 3.0) are noted every year. The fault releases a shock of 4.0 or more, capable of local minor damage, about every 18 months. Magnitudes of 5.0 or greater occur about once per decade. They can cause significant damage and be felt in several states.

The Highest Earthquake Risk in the United States outside the West Coast is in the New Madrid Seismic Zone. Damaging temblors are not as frequent as in California, but when they do occur, the destruction covers over more than 20 times the area due to the nature of geologic materials in the region. The 1968 5.5 magnitude Dale, Illinois earthquake toppled chimneys and caused damage to unreinforced masonry in the St. Louis area, more than 100 miles from the epicenter. A 5.2 magnitude earthquake in April 2008 in southeast Illinois, did not cause damage in Missouri, but was felt across much of the state.

A Damaging Earthquake in this Area, which experts say is about a 6.0 magnitude event, occurs about once every 80 years (the last one in 1895 was centered near Charleston, Missouri). There is estimated to be a 25-40% chance for a magnitude 6.0 – 7.5 or greater earthquake along the New Madrid Seismic Zone in a 50-year period according to the U.S. Geological Survey reports. The results would be serious damage to un-reinforced masonry buildings and other structures from Memphis to St. Louis. We are certainly overdue for this type of earthquake!

A Major Earthquake in this Area - the Great New Madrid Earthquake of 1811-12 was actually a series of over 2000 shocks in five months, with several quakes believed to be a 7.0 Magnitude or higher. Eighteen of these rang church bells on the Eastern seaboard. The very land itself was destroyed in the Missouri Bootheel, making it unfit even for farming for many years. It was the largest release of seismic energy east of the Rocky Mountains in the history of the U.S. and was several times larger than the San Francisco quake of 1906.

When Will Another Great Earthquake the Size of Those in 1811-12 Happen? Several lines of research suggest that the catastrophic upheavals like those in 1811-12 visit the New Madrid region every 500-600 years. Hence, emergency planners, engineers, and seismologists do not expect a repeat of the intensity of the 1811-12 series for at least 100 years or more. However, even though the chance is remote, experts estimate the chances for a repeat earthquake of similar magnitude to the 1811-1812 New Madrid earthquakes over a 50-year period to be a 7 - 10% probability.

What Can We Do to Protect Ourselves? Education, planning, proper building construction, and preparedness are proven means to minimize earthquake losses, deaths, and injuries.

Prepare a Home Earthquake Plan

Choose a safe place in every room--under a sturdy table or desk or against an inside wall where nothing can fall on you. Practice DROP, COVER AND HOLD ON at least twice a year. Drop under a sturdy desk or table, hold onto the desk or table with one hand, and protect the back of the head with the other hand. If there's no table or desk nearby, kneel on the floor against an interior wall away from windows, bookcases, or tall furniture that could fall on you and protect the back of your head with one hand and your face with the other arm. Choose an out-of-town family contact.

Take a first aid class from your local Red Cross chapter. Keep your training current.

Get training in how to use a fire extinguisher from your local fire department.

Inform babysitters and caregivers of your plan.

Eliminate Hazards

Consult a professional to find out additional ways you can protect your home, such as bolting the house to its foundation and other structural mitigation techniques.

Bolt bookcases, china cabinets and other tall furniture to wall studs.

Install strong latches on cupboards.

Strap the water heater to wall studs.

Prepare a Disaster Supplies Kit for Home and Car

First aid kit and essential medications.

Canned food and can opener.

At least three gallons of water per person.

Protective clothing, rainwear, and bedding or sleeping bags.

Battery-powered radio, flashlight, and extra batteries.

Special items for infant, elderly, or disabled family members.

Written instructions for how to turn off gas, electricity, and water if authorities advise you to do so. (Remember, you'll need a professional to turn natural gas service back on.)

Keeping essentials, such as a flashlight and sturdy shoes, by your bedside.

Know What to Do When the Shaking BEGINS

DROP, COVER AND HOLD ON! Move only a few steps to a nearby safe place. Stay indoors until the shaking stops and you're sure it's safe to exit. Stay away from windows.

In a high-rise building, expect the fire alarms and sprinklers to go off during a quake. If you are in bed, hold on and stay there, protecting your head with a pillow.

If you are outdoors, find a clear spot away from buildings, trees, and power lines. Drop to the ground. If you are in a car, slow down and drive to a clear place (as described above). Stay in the car until the shaking stops.

Know What to Do AFTER the Shaking Stops

Check yourself for injuries. Protect yourself from further danger by putting on long pants, a long-sleeved shirt, sturdy shoes, and work gloves.

Check others for injuries. Give first aid for serious injuries.

Look for and extinguish small fires. Eliminate fire hazards. Turn off the gas if you smell gas or think it's leaking. (Remember, only a professional should turn it back on.)

Listen to the radio for instructions

Expect aftershocks. Each time you feel one, **DROP, COVER, AND HOLD ON!**

Inspect your home for damage. Get everyone out if your home is unsafe.

Use the telephone only to report life-threatening emergencies.

STANDARD COMPLAINT RESOLUTION PROCEDURE FOR IMPROVING AMERICA’S SCHOOL ACT PROGRAM

This complaint resolution procedure applies to all programs administered by the Department of Elementary and Secondary Education under the goals 2000: Educate America Act and the Improving America’s Schools Act (IASA).

A complaint is a formal allegation that a specific federal or state law or regulation has been violated, misapplied, or misinterpreted by school district personnel or by the Department of Education personnel.

Any parent or guardian, surrogate parent, teacher, administration, school board member, or other person directly involved with an activity, program, or project operated under the general supervision of the Department may file a complaint. Such a complaint must be in writing and signed; it will provide specific details on the situation and indicate the law or regulation that is allegedly being violated, misapplied or misinterpreted.

The written, signed complaint must be filed and the resolution pursued in accordance with local district policy:

Public Complaints Policy 1480

Although no member of the community shall be denied the right to petition the Board of Education for redress of a grievance, the complaints will be referred through the proper administrative channels for solution before investigation or action by the Board. Exceptions are complaints that concern Board actions or Board operations only.

The Board advises the public that the proper channeling of complaints involving instruction, discipline, or learning materials is as follows:

1. Teacher
2. Principal
3. Appropriate Central Office Administrator, e.g. Assistant Superintendent or Director of Student Services, Assistant Superintendent or Director of Personnel, Assistant Superintendent or Director of Curriculum and Instruction.
4. Superintendent.
5. Board of Education

Any complaint about school personnel will be investigated by the Administration before consideration and action by the Board.

If the issue cannot be resolved at the local level, the complainant may file a complaint with the Missouri Department of Education. If there is no evidence that the parties have attempted in good faith to resolve the complaint at the local level, the Department may require the parties to do so and may provide technical assistance to facilitate such resolution.

Any persons directly affected by the actions of the Department may file a similarly written complaint if they believe state or federal laws or regulations have been violated, misapplied, or misinterpreted by the Department itself.

Anyone wishing more information about this procedure or how complaints are resolved may contact local district or Department personnel.

What is a Complaint?

A complaint is a signed, written statement that includes:

1. An allegation that a requirement applicable to the LEA's Title I Program has been violated and:
2. Information that supports the allegation.

Who may complain?

Any parent, teacher, or other concerned individual or organization may file a complaint.

Standard Complaint Resolution Procedure For No Child Left Behind Programs

This complaint resolution procedure applies to all programs administered by the Missouri Department of Elementary and Secondary Education under the No Child Left Behind Act (NCLB).

A complaint is a formal allegation that a specific federal or state law or regulation has been violated, misapplies, or misinterpreted by the school district personnel or by Department of Education personnel.

Any parent or guardian, surrogate parent, teacher, administrator, school board member, or other person directly involved with an activity, program, or project operated under the general supervision of the Department may file a complaint. Such a complaint must be in writing and signed; it will provide specific details of the situation and indicate the law or regulation that is allegedly being violated, misapplied, or misinterpreted.

The written, signed complaint must be filed initially with the Federal Programs' administrator and the resolution pursued in accordance with local policy 1621 which states the following: If the administrator is unable to resolve the complaint within five (5) school days, unresolved complaints will be forwarded to the Superintendent who

will meet with the complainant upon request. Within five (5) school days of this meeting or within five (5) days of rejection of such meeting, the Superintendent will prepare and forward a written decision. Thereafter, the complainant may appeal to the Board of Education within five (5) school days of receipt of the Superintendent's decision. If the issue cannot be resolved at the local level, the complainant may file a complaint with the Missouri Department of Education. If there is not evidence that the parties have attempted in good faith to resolve the complaint at the local level, the Department may require the parties to do so and may provide technical assistance to facilitate such resolution.

Any persons directly affected by the actions of the Department may file a similarly written complaint if they believe state or federal laws or regulations have been violated, misapplies, or misinterpreted by the Department itself.

Anyone wishing more information about this procedure or how complaints are resolved may contact the Federal Programs' administrator at Knox County R-I at 660-397-2228 or Department of Elementary and Secondary Education personnel.

SERVICES PROVIDED FOR SPECIAL NEEDS

The Knox County R-I School provides special services for the special problem areas: Specific disability in learning.

Specific disability related to health that impedes learning.

Specific disability related to speech and sound system disorder.

Specific disabilities as so stated in the Missouri Regulations and Compliance Plan.

Other specific needs are provided for at the nearest facility in compliance with PL-94-152, Missouri Department of Elementary and Secondary Education, Special Education Division.

PUBLIC NOTICE

All responsible public agencies are required to locate, evaluate, and identify children with disabilities who are under the jurisdiction of the agency, regardless of the severity of the disability, including children attending private schools, children who live outside the district but are attending a private school within the district, highly mobile children, such as migrant and homeless children, children who are wards of the state, and children who are suspected of having a disability and in need of special education even though they are advancing from grade to grade. The Knox County R-I School assures that it will provide a free, appropriate public education (FAPE) to all eligible children with disabilities between the ages of 3 and 21 under its jurisdiction. Disabilities include autism, deaf/blindness, emotional disorders, hearing impairment and deafness, mental retardation/intellectual disability, multiple disabilities, orthopedic impairment, other health impairments, specific learning disabilities, speech or language impairment, traumatic brain injury, visual impairment/blindness and young child with a developmental delay.

The Knox County R-I School assures that it will provide information and referral services necessary to assist the State in the implementation of early intervention services for infants and toddlers eligible for the Missouri First Steps program.

The Knox County R-I School assures that personally identifiable information collected, used, or maintained by the agency for the purposes of identification, evaluation, placement or provision of FAPE of children with disabilities may be inspected and/or reviewed by their parents/guardians. Parents/ guardians may request amendment to the educational record if the parent/guardian believes the record is inaccurate, misleading, or violates the privacy or other rights of their child. Parents have the right to file complaints with the U.S. Department of Education or the Missouri Department of Elementary and Secondary Education concerning alleged failures by the district to meet the requirements of the Family Educational Rights and Privacy Act (FERPA).

The Knox County R-I School has developed a Local Compliance Plan for the implementation of State Regulations for the Individuals with Disabilities Education Act (IDEA). This plan contains the agency's policies and procedures regarding storage, disclosure to third parties, retention and destruction of personally identifiable information and the agency's assurances that services are provided in compliance with the General Education Provision Act (GEPA). This plan may be reviewed in the office of the Special Education Process Coordinator.

This notice will be provided in native languages as appropriate.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

- Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.
- Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
- Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):
 - School officials with legitimate educational interest;
 - Other schools to which a student is transferring;
 - Specified officials for audit or evaluation purposes;
 - Appropriate parties in connection with financial aid to a student;
 - Organizations conducting certain studies for or on behalf of the school;
 - Accrediting organizations;
 - To comply with a judicial order or lawfully issued subpoena;

- Appropriate officials in cases of health and safety emergencies; and
- State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school.

PARENTAL INFORMATION AND RESOURCE CENTER

The Parental and Information and Resource Center (PIRC) program is funded by the US Department of Education, Office of Innovation and Improvement, established to provide training, information and support to parents and individuals who work with local parents, districts, and schools that receive Title I.A funds. PIRCs provide both regional and statewide services and disseminate information to parents on a statewide basis

PIRC's help implement successful and effective parental involvement policies. Programs and activities that lead to improvements in student academic achievement, and that strengthen partnerships among parents, teachers, principals, administrators, and other school personnel in meeting the education needs of children; and to assist parents to communicate effectively with teachers, principals, counselors, administrators and other school personnel.

The recipients of PIRC grants are required to: serve both rural and urban areas, use at least half their funds to serve areas with high concentration of low-income children, and use at least 30 percent of the funds they receive for early childhood parent programs.

Centers must include activities that establish, expand, or operate early childhood parent education programs and typically engage in a variety of technical assistance activities designed to improve student academic achievement, including understanding the accountability systems in the state and school districts being served by a project.

Specific activities often include helping parents to understand the 54

data that accountability systems make available to parents and the significance of that data for such things as opportunities for supplemental services and public school choice afforded to their children attending buildings in school improvement.

PIRCs generally develop resource materials and provide information about high quality family involvement programs to families, schools, school districts, and others through conferences, workshops, and dissemination of materials. Projects generally include focus on serving parents of low-income, minority and limited English proficient (LEP) children enrolled in elementary and secondary schools.

Missouri had two PIRC – one in St. Louis and one in Springfield. For service and contact information, go to their website at <http://www.nationalpirc.org/directory/MO-32.html>

INSTRUCTIONAL SERVICES Regulation 6190 Curriculum Services

Virtual Education

The District will annually permit any eligible student, under the age of twenty-one (21) who resides in the District, to enroll in Missouri Course Access and Virtual School Program (“Program”) courses as part of the student’s annual course load. Course costs will be paid by the District provided that the student:

1. Is enrolled full-time and has attended a public school, including a charter school, for at least one (1) semester immediately prior to enrolling in the Program. However, if the reason for a student’s non-attendance in the prior semester is a documented medical or psychological diagnosis or condition which prevented attendance, such non-attendance will be excused; and
2. Prior to enrolling in the Program course has received District approval through the procedure set out in this Regulation 6190(A).

Each Program course successfully completed will count as one class and will receive that portion of a full-time equivalent that a comparable course offered by the District generates.

A. Enrollment

The enrollment process for participation in the Program will be substantially similar to the enrollment process for participation in District courses. The enrollment period will be ten (10) school days prior to each semester. Students who fail to timely enroll will be permitted to apply the next semester. New students enrolling during the school year will have five (5) school days from school enrollment to apply for a Program Course under this Regulation. The process may include consultation with a school counselor. However, consultation does not include the counselor’s approval or disapproval of enrollment in the Program. However, the District has ten (10) business days from the date the application was submitted to the District to approve or deny the application.

When a District school denies a student’s enrollment in a Program course or enrollment as a full time Program student, the District will provide in writing a “good cause” reason for the denial. Such good cause determination will be based upon a reasonable determination that the enrollment is not in the student’s best educational interest. Where enrollment is denied, the following process will be utilized:

Regulation 6190
Page 2

1. The District will notify the student and the student’s family in writing of the right to appeal denial of Program enrollment to the Board of Education; and
2. The family will be given an opportunity to present the reasons for their appeal to the Board at an official Board meeting; and

3. The District, at such Board meeting, will provide the basis for its determination that Program enrollment was not in the student's best educational interest; and
4. The written submissions by the family and the District will be incorporated into Board minutes; and
5. The Board's written decision and the reason for that decision will be provided to the family within thirty (30) days of such Board meeting; and
6. The family may appeal the Board's determination to the Department of Elementary and Secondary Education. The Department shall provide their decision within seven (7) calendar days.

Program credits previously earned by a student transferring into the District will be accepted by the District. Students who are participating in a Program course at the time of transfer shall continue in the course with the District assessing future monthly payments.

Home school and private students wishing to take additional courses beyond their school's regular course load will be permitted to enroll in Program courses under an agreement, including the student's payment of tuition or course fees.

B. Payment for Program Courses

Cost associated with Program courses shall be paid by the District for students satisfying subsection (1) of this Regulation 6190. Payments will be made on a monthly cost basis prorated over the semester enrolled. Payments will be made directly to the Program contract provider. Such payments per semester will not exceed the market cost, but in no case more than 7% of the state adequacy target per semester. In the event a Program participant discontinues their enrollment, the District will discontinue monthly payments made on the student's behalf.

In the case of a student who is a candidate for A+ tuition reimbursement and who is enrolled in a Program course, the District will attribute no less than ninety-five (95%) percent attendance to 57

Regulation 6190

Page 3

any such student who has successfully completed such Program course. K-8 Districts will be required to pay the District for Program attendees residing in the K-8 District.

C. Program Course Evaluation

The District will consider recommendations made by DESE relative to a student's continued Program enrollment. Based in part on DESE's recommendations, the District may terminate or alter a course offering if the District, in its reasonable discretion, determines that the Program course(s) is not meeting

the student's educational needs.

Independently, the District will monitor student progress and success in Program courses. The District will annually provide DESE with feedback regarding Program course quality.

The District is not obligated to provide computers, equipment or internet access except for eligible students with a disability in compliance with federal and state law.

The District will include students' enrollment in the Program in determining the District's average daily attendance (ADA). For students enrolled in the Program on a part-time basis, ADA will be calculated as a percentage of the total number of Program courses in which the student is enrolled by the number of courses required for full-time students.

D. Notice

The District will inform District parents of their child's right to participate in the Program. Opportunity to participate in the Program will be provided in parent handbooks, registration documents and on the homepage of the District's website.

STUDENTS Policy 2640 Discipline

Student Use of Tobacco, Alcohol, Drugs and Vapor Products

Smoking

The Board of Education believes that smoking; the use of any tobacco products; vapor products and substances appearing to be tobacco products are detrimental to the health and well-being of staff and students. This prohibition includes electronic cigarettes, vaping and similar objects used in conjunction with vaping. Therefore, the Board prohibits the use, sale, transfer and possession of tobacco products, vapor products, and substances appearing to be tobacco products or vapor products, i.e. e-cigarettes, vaping paraphernalia, at school and at school activities.

Alcohol and Drug Use

The improper use of controlled substances, alcohol and substances represented to be such is detrimental to the health and welfare of students and is detrimental to discipline in school. Such conduct, as well as the possession

of drug paraphernalia, is prohibited and is subject to disciplinary action as set forth in Regulation 2610.

Pursuant to 29 U.S.C. 705(20)(c)(iv), a student with a 504/ADA disability who is currently engaging in the illegal use of alcohol or drugs is not considered a student with a disability under those laws and the District, may take disciplinary action – to the same extent that disciplinary action is taken against nondisabled students – in relation to that use or possession of alcohol or drugs. In such cases, the due process procedures contained in the Section 504 regulations will not apply to protect those students. This provision does not apply to students who are identified as disabled under the Individuals with Disabilities Education Act. However, school personnel may remove an IDEA disabled student to an interim alternative educational setting for not more than 45 school days without regard to whether that student’s behavior is a manifestation of his/her disability where that student knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function under the District’s jurisdiction. “Illegal drug,” as it pertains to the discipline of IDEA students, means a controlled substance but does not include a controlled substance that is legally possessed or used under the supervision of a licensed health-care professional or under any other authority. The determination of whether or not a student is under the influence of alcohol or a controlled substance is based upon a variety of information including but not limited to, physical appearances, speech patterns, and witnesses’ statements. While not required, District administrators may request a student suspected of alcohol use to submit to a Breathalyzer. Conduct that includes possession of or use of alcohol or controlled substances as well as the possession of drug paraphernalia is prohibited and is subject to disciplinary action as set forth in Regulation 2610.

CBD Products

Due to the lack of consistency in labeling related to the potency of many CBD and similar products; due to the lack of research into the long-term effects of these products; and due to the overriding concern for the health and safety of District students, CBD and similar products are prohibited on school premises and at school related activities. Penalties for violations of this policy will be consistent with the penalties for alcohol and drug possession.
