Highlights from September

September was full of memorable celebrations! Our Grandparents Day event was a tremendous success, bringing families together over delicious meals and meaningful conversation. We also wrapped up another successful Opaa! Breakfast Week, serving creative breakfast favorites while reinforcing the value of starting each day with a good meal.

Looking Ahead to October

On October 1, we'll launch the 2026 Opaa! Student Survey, giving students the chance to share their thoughts on our menu offerings, food quality, and overall service. Their feedback plays an important role in helping us continue to grow and improve. We'll also celebrate National School Lunch Week with this year's theme, Cafeteria Circus: Where Nutrition Takes Center Stage!, featuring a variety of delicious, well-balanced meals and fun themed activities. To end on a high note, we will host a festive Halloween Celebration!
